300 TONS REGISTER,

Vhich of all is Allah's noblest work?

Which of all is Aliah's noblest work:
So the wise magicians, and learned ones
The necromancers and alchemists,
The grave philosophers, hermit's gray,
And sages worthy, a good yaist—

Studied and pendered the question long, Weighed and balanced the subject well; Consulted nature, science, his craft, And aught to inform in his way that fell,

First spake scientist bent with age— But his dim eye kindled into a glow: Of Allah's works, this beaut Is by far the noblest of all we know, With its isles and continents clothed

Which ever old ocean's arms enfold, And its geologic record writ In the solid rocks that are acons old."

The sun and moon whose cycles we span; Or Orion leading his glittering host,
The Pleiades set 'mid the bright array,

Venus, the torch of the heavenly thro Or the star-paved road of the milky-He ceased, and each in turn set forth

The noblest work in his mantel view. Till the day was nigh spent, and still His form was bowed, and his features

"Of all created things," he said,

The sun and moon shall cease to shine The wisdom of mortals come to naught, Forgotten the crown and the sceptred

But truth and virtue shall live for aye. An honest man is akin to God!"

"After Long Grief and Pain.

BY ALICE HORLOB.

CHAPTER IV. In spite of myself, as it often seem to me almost unconsciously, my steps her beautiful lips.

turned in the direction of Miss of the construction of Miss of the construction of the c Weston's house whenever they were free to wander unchecked. The road past Rose Cottage led across a breezy down into a wood little frequented, and there I was accustomed to pace gloomily up and down, my mind busy with sad thoughts, for I could not crush down the ardent passion of my heart; I could not forget the woman, whose presence would have been a paradise, yet which to me was as unattainable as

was the face I longed to gaze alone. upon presented to my yearning eyes.

But when the days grew into months, and the bright freshness of the waving teree was growing glorious with the hade of autumn, I met her at last, face to face. The long desired hope was attention to face. The long desired hope was attention to face.

The long desired hope was attention to face to face. The long desired hope was attention to face.

Before that week was out Corona left the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought on a severe attack of cold, which had compelled her to face. The long desired hope was attention to face the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought on a severe attack of cold, which had compelled her to face. The long desired hope was attention to face the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought on a severe attack of cold, which had compelled her to face. The long desired hope was attention to face the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought on a severe attack of cold, which had compelled her to face the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought of the account of the present ill-health. She had been employed as a teacher of singing until constant exposure to the weather brought of the account of tained, as so often happens in life, just desolation without relief. The thought of her I loved, with no strong arm to shield her, battling with all the storms when it seemed least likely. I was coming through the shield her, battling with all the storms when are a seemed of the storms when a seemed the storms when a seemed of the s smood at sunset, when every nerve of life, was almost unendurable agony. Oculd I but have watched her from a bent in sorrow, her face hidden in her to me, it seemed, for ever. hands, was Corona.

Love or marriage is not for me. I am set beyond all that forever. It is mentioned. Corona struggled to her Miss Delmar resided. useless to argue the question, Dr. feet.

any man a claim upon you?"

She trembled visibly. A burning

as white as death. 'I have no busband,' she said sadly.

Three days and nights they sleepless spent,
Than on this all-important day
Before Bel Arden they each appeared,
A learned procession in grave array!

A learned procession in grave array!

A learned procession in grave array!

Said a wise astronomer: "What! the work mext instant I stood abashed at my fortless apartment; no fire in the rusty deed, and Corona was gazing at me grate, although the month was Februwith the bitterest represent. I dropped to my knees at her feet.

Dearest, I am half mad at losing you, and a man's love is hard to hold on forever. But no outward demonstration shall offend you again, though my heart break under the restraint which Greater and grander the subject grew,
When at last a white-haired hermit rose,
His form was bowed, and his features lasts, Corona Davenant, I shall love

Every Household Should have Ayer's Cherry Pectoral. It saves thousands of lives annually,

and is peculiarly efficacious in Croup, Whooping Cough, and Sore Throat. "After an extensive practice of nearly one-third of a century, Ayer's Cherry Pectoral is my cure for recent colds and coughs. I prescribe it, and believe it to be the very best expectorant now offered to the people,"—Dr. John C. Levis, Druggist, West Bridgewater, Pa. "Some years ago Ayer's Cherry Pec-toral cured me of asthma after the best medical skill had failed to give me re-lief. A few weeks since, being again a little troubled with the disease, I was

Relieved By

the same remody. I gladly offer this testimony for the benefit of all similarly afflicted "-F. H. Hassler, Editor Argus, Table Rock, Nebr.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of whooping cough."

Ann Lovejoy, 1251 Washington street, Boston, Mass.
"Ayer's Cherry Pectoral has proved "Ayer's Cherry Pectoral has proved remarkably effective in croup and is invaluable as a family medicine."— D. M. Bryant, Chicopee Falls, Mass.

ON THE MARCH

We are on the Move, and Intend to Keep So. NO STAND STILL.

For we are bound to pass our competitors and still keep going on-Because we have the Knowledge; Because we have the Experience : Because we have the Experience Because we have the Workmen;

Because we have the Lasts; Because we are the only House on the Island who keep nothing but First-class Hand-made BOOTS AND SHOES, which is the only class of work fit for this country and climate.

Because factory work is all alike wherever made. They all'use shoddy, nore or less, and this is not the country for shoddy Boots and Shoes, that During the next 20 days the balance of our Winter Goods will go out of shape and fall to pieces.

ORDERED WORK a specialty. REPAIRING of all kinds done reasonably and prompt.

Closed Uppers and all kinds of Shoe Finishings, Lasts, etc., for the Shoe Trade kept constantly on hand.

Don't forget the place:
