Progress of the War.

French War Office It can be machines participated, returning stated that in the Argonne, safely. The damage done is unwhere we had been constantly known. It is reported from attacked since December, the Bucharest, Roumania, that former roles in the last three weeks Sultan, Abdul Hamid, has re have been reversed. Today we gained his freedom and is have gained the indusputable gathering his friends and supascendency. The effect is porters around him. It is asserted salutary in these local actions, of that he may seek to play an im- that despite its vigilance, it is which the Argonne is the theatre, portant part in the country's learned that large quantities of Wednesday, with the depature of to feel that more and more the affairs. More progress by British copper have been sent through seven steamers for the Gulf of St. March 10, 1915—1i. enemy is at our mercy, and that fleet before Smyrna, by which Italy to Germany, concealed in Lawrence, followed on the 13th our moral superiority is assured. Turkish batteries were silenced trucks loaded with cabbages. We have obtained this result by is announced in an Admiralty a series of limited operations statement. Another official energetically carried out, and statement says that the Turks Columbia announced at Victoria although the German forces which confront us are extremely. courageous, we feel that at a cent, larger than previously regiven point and moment we are ported. masters, and can do what we wish. The statement gives the details of one of these engagements, which it says occur dailyand show the splendid ardor of

London, March 5.—Except in the Central Bestid Pass of the Carpathians, where fierce Austrian attacks have moderated, the Russians now are on the offensive along the whole length of the extreme long line from the Baltic Sea to the Roumania border. Apparently they have definitely disposed of the German and Austrian attempt to outflan the two extreme wings and progress westward. After retir to the right bank of the Dnieste

the troops.

River, the Russians again crossed into Bukowina and are unoffi cially reported to be back in Czernowitz, which military mer say is extremely probable a they already captured Sadagora a few miles northeast of the Paris, March 6 .- Gains all along the battle line in Belgium, France

and Germany is claimed for the Allies, Official despatches today stated that the Germans are be ing forced back step by step in every locality. In at leas eight different spheres of opera tions the French and British and Belgian troops have been success ful. Successes are claimed in the North Sea Coast near Ypres, North Arras, Champagne, Argonne along Meuse, in Woevr district and Upper Alsace.

London March 8 .- The British and French fleets have battered, another step nearer Constantinople. More Turkish forts on the Asiatic side were silenced, ac cording to the British Admiralty but the Turks are making terrific resistance with shells from their German made guns This struggle for the gateway o the Ottoman capital isset presen the big feature of the war new and closely linked with this the sustained excitement in Greece incident relating to the resignation of the Cabinent of Venizeloz, who deemin Greece's entrance into hostilitie on Triple Entente imperative could not agree with his King and resigned. The retiring Premier, according to on Athens despatch plans to leave for res and M. Zaimis has been entrust ed with the difficult task of selecting a new Cabinet the com plexion of which had not even ROTCHFORD - At Alberton, been tentatively announced tonight. News agency despatch from Athens late to-night said Zaimis has declined to form new Cabinet. From the number of ships engaged and the size and range of the guns the battle of the Dardanelles is unlike anything in history, according to naval experts. At 21,000 yards the

## Reasons Why The C. B. C. Is The Best

The Charlottetown Business College's claims of superiority are not based on hot air, bombast or

broadside bragosity. The equipment of this college is complete in every respect. There are enough typewriters, forms, etc., for every student, and therefore none are kept back and none especially favored. The teachers are the best that can be secured and the location idealright in the heart of the business district-the courses plain, practical and full of "usable" knowledge.

QUALIFIED to cope with any problem that is placed before them in actual practice. This institution is the only one in the Province to turn out successful The courses cover bookkeeping, auditing, type
