pe have endeared it to thousands of

oand and laughed, and he looked a her and laughed, and they went into the dining room together, as happ as a couple of happy children.

"Are you sorry for Will now, Ro rt?" she whispered, after dinner; and the whisper went home with a kiss. "I think Will has done the most sensible thing he ever did in his life, my dear," answered the doctor, emphati-"I have no doubt he has go cally.

"All women are alike, Robe ear"-this with another kiss. "All alike good, my love. I a are Miss Louisa Madison is good

Will would not love her." "And I know how tremendousl Bessie admires herself; it is, therefore, wonderful to find her compli enting Louisa.'

"She does not say very much about Louisa, though there is a great dea bout others in her letter." "Of course, Bessie has a perfe

genius for spreading small bits of butter over any quantity of bread She never praises anybody altogether man is. As far as I can see, all wo-Bessie is my own cousin, but she i o saint.' "Jack Madison seemed to think her

saint or an angel or some other ind of sublimated woman." "Robert do you like saints?"

"Is it not better to be a saint than sinner?" smile was on her lips. She lifted her sary, and the winter of love's discor husband's face between her hands and said:

"Sometimes sinners are more angel-

No! He endorsed it over and over and swore to it with all his heart; and when Amber asked him if she was really hard to live with, he said warmly she was delightful to live with. She was the joy and pleasure and sunshine of his life. He was sure he would not care to live without her. If Amber had then suggested that probably it was himself who was difficult," Robert would have admitted it at once that he was often a bear and exceedingly hard to please. But Amber had some forbearance and discretion. She only kissed him

"Dear Robert, can you talk to me his evening?"

of time and would really like nothing etter.

CHAPTER XVI.

"Let Me Alone To-Night!" In love there are all these ills; vrongs, suspicions, quarrels, reconilements, war, and peace again. If thou wouldst try to do things thus incertain by a certain method, thou

vouldst act as wisely as if thou wert

to run mad with reason as thy guide.

This little domestic scene, ending so much more happily than it might have done, was by no means the first or strain of caring for the child, and a distinct change in the mother results. one characteristic which continually provoked them - the extraordinary quality of her "fine feelings." They were indeed so fine that Robert found it impossible to avoid injuring them, nerves and broken health resulting from an unprepared condition, women will persist in going blindly to the trial.

It isn't as though the experience came upon them unawares. They have ample time in which to prepare, but they for the most part trust to chance. not settle down into his pace, and she were distrusted feelings, uneasily Garland's Bookstore, In many homes once children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy, and strong.

n the end, and Ambrosia was in re danger of bringing about the ver alienation she had begun to cate before it existed.

The straightforward, regretful

affectionate way in which she had m her husband's cold absorption on t evening made memorable by news of Will's marriage was an un usual demonstration. It was a pecu liar mood, induced by peculiar cir cumstances. Bessie's letter had made suddenly manifest to her the necessity of some effort on her part, to protect her supremacy. Bessie had found useful to refer to from time to time. in Louisa a more congenial friend. Will had forgotten his sister in his 8731-A CHIC AND COMFORTABLE wife. Clara had not been very often to see her lately. St. Ange's pitiful admiration, though unvoiced, annoyed her. She was well aware that her servants did not like her. Mrs. Ryan had felt herself deeply insulted by Ambrosia's utter oblivion of her granddaughter's presence in the lab oratory, and Mrs. Ryan knew how to nake every inferior servant echo her

That day, Bessie's letter had given

her a heart-shock. Will had gone; upon her husband. She had hoped so much from Will's return, and he would never come back to her. She might even go too far with a devotion so great as Robert's. There was a certain kind of fear as well as love influencing her submission. But, such as it was, it took Robert by surprise and won him. He had expected to find his wife going about with red eyes and an expression of exasperating injury, or else showing off a rod with an aggravating meekness. These conditions would be met either | er woman" style. The straight plaitbringing Griselda to reason through that it is the worst temper which eventually carries the day, and that after with 11/2 yards of 36 inch material for a storm there was a likelihood of mooth sailing-until the next time.

Therefore Ambrosia's candid, afectionate advances were an unexpected attack, and Robert was easily conquered by them. They had a happy evening, and Ambrosia was delighted to see St. Ange's wide stare of astonishment at their satisfaction with each other. It seemed at last as if she had discovered the best way to influence | Size. her husband. But even such a charming submission can be carried too far, If Robert did not actually tire of Amber sighed, and looked bewitch- them, he did tire of the previous uning as she did so. A tender, comical pleasantness which made them necestent already chilled their hearts.

The season was a 'vancing, but not like than saints. Can you deny it, yet very gay, and what Ambrosia needed was some living interest to give piquancy and motive to her life. carefully filled out. The pattern canirritable and tired for the rest of the tern Department. day; and when she contemplated her social life for the coming winter, the prospects were not what she desired. It was evident that in the main she would be dependent on some other escort than her husband. And who was there?

Will was now permanently engaged elsewhere. St. Ange was detestable. Of course, she could asso- might stay a year and it would be 'all ciate herself with Bessie, but that right." would inevitably set Bessie above her . "It would be a year's rest from such

One Sunday morning, she said at breakfast :

'I am going to see Clara to-morrow, Robert. I had her letter yesterday, and she says her father has had a relapse and is very weak. I telegraphed her to meet me.'

When Sleep Fails You DR. CHASE'S NERVE FOOD WHI

bring rest, comfort and vitality by building up the nerves. Mr. Jas. Wesley Weaver, a veteran of the Fenian Raid, Port Dalhousie, Ont., writes:— For years I was afficient of the Fenian Raid, Port Dalhousie, denly called from town, he said, and had sent him with his regrets and a flicted with nervousness and dreaded insomnia, so that I never knew for three years what a full hour's sleep

was, never more than dosing for a few minutes at a time. Heart pains and headaches almost drove me wild. I had spells of weakness and cramps in stomach and limbs.

"Though I tried several doctors, it may money neelessly spent Finelly." was money uselessly spent. Finally Dr. Chase's Nerve Food was brought to me and eight boxes cured
