Wedding at Fogo

No wedding for a long while has in terested a wider circle of friends than they will reside in future. that which took place at 4 p.m. Wednesday. July 12th, in St. Andrew's Church, Fogo, of Miss Fanny Miles (telegraphist), daughter of Mr. Francis Miles, Herring Neck, to Mr. Jas. Lind, jeweller, of the firm of J. T. Both the bride and groom have hosts of friends in Fogo whose best wishes follow them. Miss Miles, who has been telegraph operator in Fogo for a number of years, has become very popular amongst the peoole, being a very obliging and painstaking official, and apart from her was a record one. Many people are position she has endeared herself to now getting the hay yield stored. the hearts of the Fogo people by her tery pleasant manner and her great interest in everything for the good is held. As to the groom, change of residence has not resulted in forgetulness—on the part of his Fogo vices of a doctor yesterday. A short friends-and the only regret in con- time after the accident two lights ection with the wedding is that the Fogo. The church was nicely decor being an interesting feature in con

A. @ S. RODGER.

In days gone by our forefathers showed their devotion and respect to become somewhat subdued in the present generation. But an occasion were given an opportunity to test became cool and indifferent.

As the time drew near the old-time spirit became aroused, there was an awakening of the people and every one put forth their best efforts to make the occasion one long to be remembered. Never has there been such an expression of joy and loyalty time is simply amazing.

We talk of old times and what was done by the people on occasions such as this, but when everything is taken into consideration it must be admitted that our people of the present day gone by our forefathers were differently situated as regards having time to spare, to what we are to-day. Then they were for the greater part en-
