## OF WOMAN'S LIFE

So. Wellington, B.C. - "For a year during the Change of Life I was all run down. I was really too weak to walk and was very despondent going to die, but af-ter taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier my health and strength returned. I am very thankful to you and

praise your medicine. I have advised several women who suffered as I did to try your remedies. You may publish this if you wish."—Mrs. DAVID R. MORRIS, South Wellington, Vancouver Island, B. C.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills such as inflammation, ulceration, tumors, irregularities, periodic pains and nervous prostration, and we believe it is unequalled for women during the period of change of life.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

The beautiful woman whose por trait hung in the lumber-room of Vale Hall was like Nora Trevanion.

It gave him a shock. He went nearr to the picture, holding the lamp bove his head, to examine the face wind swept through the room, and out went the lamp.

At the same moment he heard the sound of footsteps coming toward him. He held his breath and stood on the defensive, and ready to receive any attack-for who could be prowling in that disused part of the place?-and feeling for his match-box, struck a

light. As the match flickered and the flame rose, he saw the squire standing beside him. With a quick movement the old man stepped forward and pulled a curtain before the picture, then turned and sternly confronted Vane.
