

NOT AN EXTRA

Molassine Meal is not an "extra" but should be substituted for a portion of the regular food. Your feed bill is therefore not increased.

Neither is Molassine Meal a medicine, but no other food can prove that its use keeps.

Celebrated Norwegian Jigger!

Fishermen should use these Jiggers and rig them with swivel's same style as in Norway, then the Jigger acts like a minnow and when spinning attracts the fish, so that instead of jiggling they really snap the Jigger and in this manner you never fail to catch them. Ordinary leads can be used, but the Norwegian style seems more simple and easily made. Our fishermen should try this great Norwegian fish killer.
