the Spring Wardrobe from head to foot

Men as a rule are less fussy than their wives or sisters about dress affairs. Yet they possess that keen desire for something new at this season. The feeling is in the air—it gets you, so to speak, gets you longing for new apparel and creates a desire for ridding yourself of the old and donning the new. The following list will therefore serve to help you in deciding what you are really going to wear now that joyous Spring fills the air.
