"KODAK" Store

Sells You Quality and Gives You Speed FREE

Do you get the very best results from your Snapshots all the time? You do if you let the KODAK STORE develop and print them for you, because so exceptionally up-to-theminute are their printing and developing methods and equipment, so efficient are their assistants (you see they handle far more films than any one else in the city, and they're developing and printing only, all the time) that while they can, and do, give you a 24-hour service, no detail of quality is lacking. Every print from every negative is accurately and perfectly finished. When the KODAK STORE develops your

prints it does not sacrifice quality for speed, it combines the two, and gives you perfec-

Investment in Wasps Proves a Liability

Sydney .- When the Moorland Fruit Co. imported nests of Mexican wasps to aid the pollentation of its blueberry barrens, near here, its officers believed they had hit upon a bright idea. When the 1924 crop turned out Co. imported nests of Mexican wasps idea. When the 1924 crop turfied out to be the heaviest in living memory, they felt sure of it. But when the wasps multiplied in proportion to the berries they began to have doubts, and swarms of them attacked the pickers and drove them of, putting several in the hospital with bloodpoisoning cases, they were sure the remedy was worse than the disease. Now the company is advertising for some expeditious method of extermi-
