Going Out of Business

Tenders are asked up to January 10th, 1925, for the purchase as a going concern of all the stock in trade and substantial Freehold Building on George Street, now occupied as an Undertaking establishment by the undersigned. The stock consists of imported polished and cloth covered caskets, local made caskets, silver mountings, coverings and linings, summer and winter hearses, 1 superior covered hearse, with plate glass, sides and doors; and all the necessary equipment of one of the best Undertaking establishments in the city.

N.B.—Separate Tenders are asked for the Building which is Freehold, three story high, 20 feet frontage, has water and sewerage, electric light and gas connections, owing to its nearness to Water Street, would make an ideal feed store or auction market. Here is a chance for some young man with a little capital to obtain a good business established over thirty years. This is one of the last chances to secure a piece of freehold on George Street. Reason for selling, getting to old to give the business the proper attention it requires.
