Hypopmosphites.—Pittsfield, Me., March 872. Mr. Jas. I. Fellows—Dear Sir During the past two years I have give your Compound Syrup of Hypophosphite fair though somewhat severe trial i During the past two years I have given your Compound Syrup of Hypophosphites a fair though somewhat severe trial in my practice, and am able to speak with confidence of its effects. In restoring persons suffering from emaciation and the debility following diptheria, it has done wonders. I constantly recommend its use in all affections of the throat and lungs. In several cases considered hopeless it has given relief, and the patients are fast recovering; among these are consumptive and old bronchial subjects, modes of treatment. For impaired indigestion, and in fact for debility from any cause, I know of nothing equal to it. Its direct effect in strengthening the nervous system renders it suitable for the majority of diseases. W. S. Howe, M.D. Married ladies under all circumstances,

Married ladies, under all circumstances, will find Parson's Puryative Pills safe; and, in small doses, a mild cathartic. They cause no griping pains or cramp. A crowd of "Horse Men" and others, daily throng the stores in country and town for Sheridan's Cavalry Condition Powders. They understand that horses cannot be kept in good condition without them, and with them can be fed on a much less quantity of grain.

No intelligent mind can fail to observe how the various and ever varying wants of the community are attended to by the enterprising merchants of Guelph. Instancing Hardware, in Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of lusiness, it is some what astonishing to take a comprehensive view of the variety of his stock:—Guns, Pistols, Ammunition, Fishing Tackle, House Farnishings, Floor Oil Cloths, Mats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers. Mangles, Lamps, Mechanics' tools. Besides the great assortment of Farming Implements, Scythes, Snaiths, Rakes, Forks, Hoes, Building and General Shelf and Heavy Hardware, Oils, Paints, Colors, Varrishes. One gets from this a slight idea of what it is to carry on with enterprising spirit a large Wholesale & Retail Hardware Establishment.
