

"OCEAN TO OCEAN."—We are in receipt of the advance sheet of a work of uncommon interest to Canadians, entitled, "Ocean to Ocean," being a diary kept during a journey from the Atlantic to the Pacific, with the expedition of the Engineer-in-chief of the Canadian Pacific and Intercolonial Railways, by the Rev. Geo. M. Grant, of Halifax, N. S., Secretary to the Expedition. The work is to be profusely illustrated, and by a glance at the contents we find it to contain varied information respecting the soil, climate, resources, &c., of the different provinces of the Dominion. The work is thoroughly Canadian, and is published by James Campbell & Son, Toronto, and Sampson Low, Marston, Low & Searle, Crown Buildings, 158 Fleet Street, London, Eng.

A NEW LINE OF STEAMERS.—A Company, to be known as the Georgian Bay Transportation Company, has been organized in Owen Sound, for the purpose of running a line of steamers between Chicago, Collingwood and Owen Sound. The company have purchased the steamer "City of London" from the North Shore Transportation Company, at a cost of about \$30,000. They also own the "Mary Ward," now lying on the rock upon which she stranded last Fall, and she too will form one of the line. She is reported to be comparatively little damaged, and as soon as the ice clears away will be taken off the rock and to the dry-dock for repairs. In addition to these two vessels, the steamer barge "Mary Robertson," owned by Mr. Craig of Port Elgin, will run on the same route, the three forming an efficient freight and passenger line, leaving Collingwood twice a week.

The Chicago, it is expected, will leave Collingwood on the 8th for Fort William and Duluth, as she is all ready for a start as soon as the breaking up of the ice allows of her making the trip.

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of this well selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & CO., HOMOEPATHIC CHEMISTS, LONDON."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London."—See article in Cassell's Household Guide. 1206mdw

Nightmare in children denotes a want of nervous energy commensurate with the strain upon the general system, and should be attended to by the parent or guardian early to prevent graver complications. Fellows' Hypophosphites will restore healthy activity to the nervous system in a short time.

FIVE MINUTES FOR REFRESHMENTS.—Everybody who has travelled by railroad has heard the above announcement, and has probably suffered from eating too hastily, thereby sowing the seed of Dyspepsia. It is a comfort to know that the Peruvia Syrup will cure the worst cases of Dyspepsia, as thousands are ready to testify.

PHOSPHOROUS, Lime, Iron, Calcium, or Peruvian Bark. Dr. Wheeler's Compound Elixir of Phosphates and Calcium combines these valuable remedies in the form of a delicious cordial. Phosphorus, brain food; Lime, an excitant of nutrition; Iron, a blood maker; and Calcium or Peruvian Bark, the only specific for nervous fevers, and all conditions of nervous prostration and general debility. Phosphates are the only agents known that immediately act on the stomach, perfecting the digestion and assimilation of food, and determining the formation of red blood. No combination ever discovered is so remarkable in its combination of these elements. It is a good remedy for all complaints that have their origin in the alimentary tract, and is sold by all druggists.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protochloride of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Tonicing up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out and ridding secretions, and leaving nothing for disease to feed upon.

This is the secret of its wonderful success. The remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
