

TOLD BY THE EDITOR.

During a Holiday Ramble he Visits
The Old Homestead.

HE FOUND CHANGES THAT ASTONISHED
HIM, ONE OF WHICH DERIVES THE
WIDEST PUBLICATION FOR THE
BENEFIT IT MAY PROVE
TO OTHERS.

From the Leader and Recorder, Toron-
to Junction.

The editor of the Leader and Re-
corder, during a recent holiday trip
through the counties of York, Peel,
Dufferin and Grey, spent a few days
at the old parental homestead where
he was born and spent many happy
years. The old homestead is in the
township of Euphrasia, Grey county,
about one and a half miles south of
the village of Heathcote, and about
ten miles from the town of Meaford.
It is occupied by the writer's youngest
brother, George J. Fawcett. The
latter was the picture of health, and
remembering that when he came from
Detroit, where he had been living for
several years, and took possession of
the homestead, he was in such feeble
health that his life was despaired of,
the writer suggested that the bracing
climate of the northern regions must
be the best medicine in the world for a
shattered constitution. The reply
made contained statements so remark-
able that we consider it a pleasure as
well as a duty to give them as wide
publicity as possible through the
columns of the Leader and Recorder.

A severe attack of malaria, contracted
while in Detroit, brought the writer's
brother to death's door, from which he
recovered to find himself the victim of
a complication of troubles which unfit-
him for work. He was attended by
some of the most eminent physicians
in Detroit, but he received little or no
benefit from their treatment. Change
of air was finally recommended and he
removed with his family to the country
of Grey. A slight change for the
better was noticeable at first, but he soon
relapsed into the old condition and
again sought help from the leading
doctors of the district in turn. Sleep-
lessness took possession of him and
soon he was wasted away to a mere
skeleton. Then the doctors declared
they could do nothing more for him,
and advised him to go to California.

During all these weary months, he
read in the papers from time to time,
and laughed at what he termed the
"miracles" wrought by Dr. Williams'
Pink Pills. He had no faith in such
remedies, and it was only when the
physicians told him that they could do
no more for him that, like the drown-
ing man who catches at a straw, he
would try a box of the pills. To his
great astonishment his sleeplessness
had vanished before he had been using
the pills a week, and he slept like an
infant. Gradually his strength re-
turned and his appetite improved, and
soon he felt like a new man. A few
months after taking the first dose he
was as well as ever. For more than
two years past he has not taken any
medicine whatever, and to day you will
not find a sturdier specimen of man
kind in Grey than Geo. J. Fawcett.

"What do I think of Pink Pills?" he
queried with a smile; "why I think
there is nothing like them on earth for
building up the system; but for Dr.
Williams' Pink Pills I do not think I
would be alive to day."

The experience of years has proven
that there is absolutely no disease due
to a vitiated condition of the blood or
shattered nerves that Dr. Williams' Pink
Pills will not promptly cure, and
those who are suffering from such
troubles would avoid much misery and
save money by promptly resorting to
this treatment. Get the genuine Pink
Pills every time and do not be persua-
ded to take an imitation or some other
remedy from a dealer, who for the sake
of the extra profit to him-
self may say is "just as good." Dr.
Williams' Pink Pills cure when other
medicines fail.

"How these farmers do complain of
being overworked!" Some of 'em have a
right to. I know one who was against
the shell game, bought a gold brick and
got a set of knock-out drops all in the
same week."

Red Hot From the Gun

Was the ball that hit G. B. Steadman,
of Newark, Mich., in the Civil War. It

Arnica Salve cured him. Cures Cuts,

Eruptions. Best Pile cure on earth. 25c.

"Do you know McShifter pretty well?"
"Know him? Every time he expresses an
opinion I can tell whether it is his own
or whether he got it from his wife."

"For a number of years I was afflicted
with acute rheumatism in my left side
and all the way down my limb into my
foot. I live five blocks from my work and

of this medicine and a trial of Hood's Pills
and began taking them. Before I had
half finished them I was relieved and it

meant a great deal to me, as I have a fam-
