THE ACHING TOOTH

Toothache is generally an inflammatory condition, and in most cases there is a cavity in the tooth. When it is impossible to see a dentist at once, the treatment is simple. Apply a sedative and exclude the excretions of the mouth from the cavity. Prompt relief will follow.

A very effective agent, and one most always on hand, is oil of cloves. It should be applied by saturating a piece of cotton with the oil and then firmly placing the cotton in the cavity of the tooth with a toothpick or a small pointed instrument. That being done, fill the cavity with a little beeswax. The wax may be applied by warming it over a light on the point of a knife and while warm forcing it into the cavity.

THE BOY OF THE HOUSE

There is some hope for the boy who has to be driven into the bathtub, but there is very little for the boy who must be driven away from the mirror.

A boy always quotes some boy older than himself as final authority in an argument with his mother.

Even if a boy doesn't get a ride, he covers a great deal of ground in chasing the wagon.

When a boy goes hunting and writes to his mother that he intends to kill a deer, his father laughs, but his mother prepares a space on the wall to hang the horns.

Bilious? Take NR Tonight

Nature's Remedy is Better and Safer Than Calomel. Cleans Out System Without Gripping. Stops Sick Headache. Guaranteed.

Bilious attacks, constipation, sick headaches, etc., are in the great majority of cases due to digestive trouble and no reasonable person can expect to obtain real or lasting benefit until the cause is corrected.

Nature's Remedy (NR Tablets) is a vegetable compound that acts on the stomach, liver, bowels and kidneys, the purpose being to bring about healthy and harmonious action of all the organs of digestion and elimination. It acts promptly and thoroughly, yet so mildly and gently that there is never the slightest gripping or discomfort.

But that is not all. Nature's Remedy (NR Tablets) have a beneficial effect upon the entire body. By improving the process of digestion and assimilation, the nourishment is derived from food, the blood quality is enriched, vitality is increased and the whole system strengthened.

Once you get your body in this splendid condition, you need not take medicine every day—just take an NR Tablet occasionally when indigestion, biliousness and constipation threaten, and you can always feel your best. Remember, keeping well is easier and cheaper than getting well.

Get a six box of Nature's Remedy (NR Tablets) and try it. It is sold guaranteed and recommended by your druggist.

Mr. S. S. McDermid to be asked to run as Farmer's Candidate.

Owing to the extraordinary tactics shown by some of the Liberal party, at Aymer Liberal Meeting last week by which Mr. S. S. McDermid was turned down without a hint to him of what was intended by bringing a new man in the field as Liberal candidate. Great indignation is felt here and in Bayham, by both political parties, as Mr. McDermid is justly held in very high esteem by all who are acquainted with him, and their name is legion. It is hoped Mr. McDermid can be induced to stand for a farmer's candidate as he would have a good chance for election, being widely known throughout the whole riding, and being the recognized candidate for the past two years, has made the Liberal voters look eagerly for his election.

Stanley McKibbin, of Ingersoll, is spending a week with relatives here. Bruce Brackenbury has purchased the farm of the late John Hamby for \$250, and will move there this fall.

Rev. Mr. Langton, of Paris occupied the pulpit here Sunday afternoon very acceptably.

A very interesting meeting of the W. P. L. was held last week at the home of Mrs. S. S. McDermid. It was decided to re-organize the club for future social and charitable purposes. The president, Mrs. R. McConnell was re-elected; Mrs. Saxton, vice-president; Mrs. Timmons, secretary; Miss M. Saxton, re-elected treasurer; Miss F. Haggan, wished to resign. All the former officers were voted a hearty vote of thanks for past services. Letters were read from soldiers overseas, with thanks for socks received. One grateful boy said it was fine to get them, as socks where he was were \$4.00 per pair. The next meeting will be held at the home of Mrs. P. Williams, when the ladies will serve a tea and choose a name for the future society. They expect to adopt one or more of the little French orphans, and will raise funds to support them. The following is a list of articles shipped since Nov. 1915, when the society was organized. The amount of money raised for the first year is not included in this statement: pairs socks, 1619; pyjama suits, 242; hospital shirts, 86; towels, 108; sheets, 51; handkerchiefs, 212; scarfs, 2; wristlets, 3; mattress covers, 7; mouth wipes, 16. Money raised for supplies, \$875.00 for 2 years and six months.

Messrs H. Moore and Ney Chute are in attendance at St. Thomas court this week, former as witness, latter as constable.

Mrs. H. Moore is recovering slowly. Mrs. Miller, of St. Thomas is with her.

Mr. Davis, of Syracuse, is with Mr. R. Harrison. He will spend the summer there.

Miss Ethel Raymond is home from Stratfordville.

Miss Nettie Jacobs is home from Summers corners.

DAYLIGHT SAVING

Washington, March 15.—To make effective the daylight saving law, Director General Hines to-day instructed railroads to turn their clocks ahead one hour at 2 a.m. Sunday, Mar. 30. Trains will run on the new schedule thereafter, but will be held only at terminals. While on the road they will not stop for an hour to make up the difference in time. Each railroad will be called on to "properly safeguard movement of its trains on the road at the time of change."

Clocks will be moved back an hour at 2 a.m. on the last Sunday in October.

TEETHING TROUBLES

Baby's teething time is a time of worry for most mothers. Baby's little gums become swollen and tender; his bowels get out of order and constipation, colic or even diarrhoea sets in. To make the teething period easy Baby's Own Tablets should be given the little one. They sweeten the stomach, regulate the bowels and keep baby good natured. Concerning them Mrs. Marcel D. LeBlanc, Memramcook, West N.B., writes: "I have used Baby's Own Tablets for the past six years and have found them indispensable. To my mind nothing can equal them in allaying the fever accompanying teething. I would not be without them and can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.
