THE MARKETS

Local Markets.  
London, Saturday, Jan. 27.  
The market was disappointingly  
small today. For some time there have  
been very few farmers in, and it was  
expected that the number would be  
increased today, but, if anything, it  
was smaller. The supply of staples  
was proportionate to the attendance,  
and in consequence the changes in  
prices were correspondingly few. The  
price of butter was slightly higher,  
but this was occasioned by the colder  
weather.

UNCONFIRMED  
RANDOM RUMORS

Making Relieved on Tuesday,  
January 23.

Boer Report of the Spon Kop Affair  
That Warren Lost Seventeen  
Guns.

RELIEF OF MAKEKING.  
Lorenzo Marques, Delagoa Bay, Fri-  
day, Jan. 26.-It is reported on good  
Transvaal authority that Makekang  
was relieved on Tuesday, Jan. 23.

BOER REPORT OF SPION KOP  
AFFAIR.  
Boer Camp, Modder Spruit, Upper  
Tugela River, Jan. 23.-The British  
are now endeavoring to force with 40-  
000 troops the Spion Kop route to  
Ladysmith. The firing on Gen. Botha's  
position yesterday was terrific. The  
grass was fired, rocks dislodged and  
tranches pierced, but the battle was  
practically one-sided, the Federals only  
firing thirty shots. The firing ceased  
at dark, but was resumed this morning  
in the vicinity of Ladysmith and here.

GERMAN STORY.  
Berlin, Jan. 27.-Some of the papers  
here claim to have a telegram from  
Pretoria saying that Gen. Warren was  
entirely unharmed at Spion Kop, where  
the Boers fell upon him; that seventeen  
of his cannon were captured, and that  
Butler's hasty retreat over the Tugela  
River alone can save him.

DISCREDITED.  
London, Jan. 27, 1:15 p.m.-The war  
office has no news of the catastrophe  
to Gen. Warren, but it is reported from  
Berlin and discredited the story. Neither  
has the war office any explanation,  
at least for publication, of the aban-  
donment of Spion Kop, and there are  
no indications of any connection with  
independent sources.

THE DISPOSITION TODAY IS TO REGARD  
THE EVACUATION AS NOT SO SERIOUS AS AT  
FIRST THOUGHT, AND COMMENTATORS  
ARE ABUSING THE MILITARY AUTHORITIES BOTH  
AT HOME AND AT THE FRONT FOR PUBLISH-  
ING HASTY ACCOUNTS OF AN INCOMPLETE  
FAILURE, HALF UNDERSTOOD OPERATION, THUS  
ALTERNATELY THRILLING AND DEPRESSING THE  
NATION.

BUGLE BLASTS.  
Orders have been sent to Aldershot  
to have the Fourth Cavalry Division  
in readiness to embark for South Africa  
early in February.

The British transport Manchester  
Corporation has arrived at Cape Town.  
Dr. Leyds is blamed for the entangle-  
ments over the seizure of German ves-  
sels, and he is said to have caused false  
information as to the seized cargoes to  
be given the British authorities. It is  
said that Leyds circulated the stories  
that vast quantities of war supplies  
were being landed at Lorenzo Marques,  
in the hope that Great Britain would  
seize them, thus bringing Russia and  
France down on her.

SPEECHES FOR  
THE OPPOSITION

Meetings at Denfield, St. Johns and  
Glanworth in Capt. Robson's  
Interest.

On Thursday night, at Union Hall,  
Glanworth, a meeting was held in the  
interests of Capt. Robson, opposition  
candidate in East Middlesex. Mr.  
Duncan MacPherson was chairman. The  
speakers were Messrs. J. H. Elliot,  
London, J. J. Foy, M.P.P., Toronto;  
Mr. Leavitt and Capt. Robson.

Mr. Elliot charged that the govern-  
ment would not permit legislation  
proposed by the Conservative party  
to pass into law, but would steal the  
Conservative party's ideas. These great  
(Liberal) statements reminded him of  
school children, he said. He urged the  
electors not to be over-confident. They  
had a desperate contest on hand, he  
said. There was danger of the voice  
of the people being strangled by in-  
famous means.

Mr. Foy, after speaking very highly  
of the late Mr. Hodgins, berated the  
government. The Grits, he said, were  
not in power, legitimately. The Har-  
dys Government had been supported  
by perjury, by ballot-stuffing, and  
every criminal act of the political calen-  
dar. Mr. Foy ridiculed the idea of  
sending a doctor to represent the rid-  
ing. In answer to Mr. Stratton, Mr.  
Foy said Mr. Whitney was not opposed  
to the appointment of a minister of  
agriculture. What Mr. Whitney was  
opposed to was the increase in the  
number of ministers. The speaker in-  
dorsed the Conservative policy. He also  
thought the government should be  
ashamed of their lumber and mining  
policy. The speaker concluded by en-  
deavoring to prove that there was no  
surplus.

Mr. Leavitt confined himself to the  
surplus question.  
Capt. Robson arrived late and made  
a brief appeal for the support of the  
electors.

AT ST. JOHNS.  
At a meeting held in the town hall,  
St. Johns, addresses were made in  
support of the Conservative party.  
Mr. Robert Henry, ex-M.P., of Brantford,  
Mr. R. A. Powell was chairman.

Another meeting held on Thursday  
night, in Capt. Robson's interest, took  
place in McKee's Hall, Denfield. Mr.  
George B. Campbell, of Elfrid, and  
Mr. Matheson were the speakers. They  
condemned the government of corruption,  
extravagance and mismanagement,  
and fraudulently claiming a surplus.

A NEW MAN.

Rheumatism.

ley, clerk of the Gilbert Hotel, here,  
and a well-known man about town,  
has entirely recovered from his attack  
of sciatica. The rheumatic taint has  
been eradicated from his system per-  
manently by the use of Dodd's Kidney  
Pills.

THE WEATHER TODAY - Generally fair.

CASH BUYERS

If You Get Credit You Pay for It.

We are cash buyers and we know what it means. Our experience is the experience of  
everybody who pays cash. It costs money to give credit, and the customer who gets the  
credit always pays the cost - never the merchant, unless in the case of a bad account, when he  
loses all. The system here is strictly cash - positively nothing else - hasn't been anything else  
for years. It insures us against losses and our customers against exorbitant prices. By it  
we can sell better goods cheaper than ever, and it is this system, in conjunction with paying  
cash for all we buy, which enables us to place such elegant goods before the public at the price  
of cheaper grades. Go to any store you like, in any city you like, and you won't find nicer  
goods than are shown here, and you won't buy the same quality goods for less money. Are you  
a cash buyer? If not, you are paying handsomely for the credit you get.

"THE CHERRY-PICKERS."  
This famous play will be the attraction  
at the Grand on Monday, Feb. 5,  
and will be presented by a powerful  
company, with all the complete scenic  
effects. The story of this stirring play  
is laid in India during the campaign  
of 1878-80, and the title is derived from  
the fact that the interest revolves about  
the Elphinstone Regiment, British Hus-  
sars, who are called "The Cherry-  
Pickers." The story is a strong one,  
modeled out of military oppressions.  
The various parts will be well cared for  
by the members of the company.

"ARIZONA" TO APPEAR SHORTLY.  
The forthcoming production here of  
"Arizona," the new play by Augustus  
Thomas, which has had a marvelous  
summer run of four months at the  
Grand Opera House, Chicago, will be  
one of the most notable events of the theatrical  
season. The new drama by the author  
of "Alabama" and "In Mizoura," has  
been enthusiastically received as the  
typical American play for which the  
critics have been waiting so long. The  
scenery and incidents of the piece are  
as the name would indicate, borrowed  
from the picturesque territory of the  
southwest frontier.

Ideal Treatment for Catarrh.  
Mr. Robert F. Gray, of 255 Clarence  
street, London, Ont., says: "I believe  
catarrh can be cured by a positive  
cure for Catarrh. After using a few  
times relief was an assured fact. The  
disagreeable dropping in the throat  
soon lessened and the nasal passages  
became tolerably free and the breath  
became less disagreeable. Catarrh  
is an ideal treatment and I hope  
it will find its way into the hands of  
many affected ones." Catarrh-o-zone  
is a guaranteed cure for Catarrh and  
Asthma. Sold everywhere. Trial out-  
fit sent for 10c in stamps by N. C.
