EASTER EXAMS. AT THE COLLEGIATE

The Standing of the Students Is Given Out by Principal McCutcheon.

PASSES AND FAILURES

Pupils Can See From This List Exactly Where They Stand—A Large Number of Names.

Partial results of the Easter examinations at the Collegiate Institute have been issued. The remainder will be published Monday. The medals are not given on the basis of these examinations, but only on the results of the June examinations. Promotion is made in the results of the whole year's examinations.

Class I. represents a standing of 70 per cent and over. Class II., 60 per cent and up to 70 per cent. Class III., over 50 per cent and less than 60 per cent. Failure in any subject means that the candidate did not get 40 per cent.

Lower I.

Class 1, Honors—Cuthbert Darch, Rose Belton, Richard Cramb, Harold Aikenhead, Allan Ferguson, John Bell.

WHEN YOUR BACK ACHES

A bad back turns every twenty-four hours into one dull round of pain and misery—you are lame in the morning, nagged all day by a dull, throbbing backache, can't rest in the evening or sleep well at night. It hurts to bend over, to straighten up, get up from a chair, or lift even a light weight. Any sudden twist, turn or awkward movement sends a tearing twinge of pain through the weak spot.

Backache is really kidney-ache. The kidneys are in the small of the back, and any pain there is enough cause to suspect your kidneys. If the urine is discolored, contains sandy sediment, or passes too frequently, then you have double proof.

Keep the kidneys well and the kidneys will keep you well. Weak kidneys filter the blood and keep it pure. Diseased kidneys only partly purify the blood. Neglect weak kidneys, and you invite uric acid poisoning, gravel, stone in the kidney, rheumatism, heart trouble, diabetes, Bright's disease, and a long list of other serious disorders now recognized as having their cause in kidney weakness.

At the first sign of backache or urinary disorders, give the kidneys quick help, not with plasters, liniments, nor

any other outside applications, but with a special kidney medicine.

The simplest and most effective remedy for sick kidneys is Booth's Kidney Pills. If there is weakness, congestion, inflammation or soreness, Booth's Kidney Pills quickly relieve it. They gently stimulate, tone and strengthen sick kidneys, drive away backache, rheumatic pain and dizziness, clear up and regulate the urine, and restore a perfect filtering of the blood. Best of all, this relief is permanent.

London Proof.
Mrs. W. Fallon, of No. 524 Grey street, London, Ont., says:
"I suffered from kidney trouble for some time. My back was lame, sore and weak. There were dragging-down pains that made me feel depressed, and I lost strength. The kidney secretions contained a deposit.
"Finally after trying several remedies without help I procured Booth's Kidney Pills at the W. T. Strong drug store.
"The first week's treatment helped my trouble perceptibly. Continuing with the treatment I was much gratified with the results.
"As a specific for complaints similar to my own I can cheerfully endorse the use of Booth's Kidney Pills."

PAULHAN'S REWARD.

London, April 29.—Subject to the Aero Club's formal verification of the details of the flight, the Daily Mail will present a check for \$50,000 to Paulhan at a luncheon at the Savoy Hotel tomorrow. The Mail an-

shipped his aeroplane back to London.

White descended at Hademore, near the place where he came down on April 23. He subsequently reascended and flew three miles and a half, landing near a railway station, where he

shipped his aeroplane back to London.

His stoppage was due to rain slackening the canvas on the stabilizing plate of the tail of his machine causing it to flap in the wind and to act as a brake.

Catspaw Rubber Heels

are a nice habit. The step is soft, sure, springy. They won't slip. All Shoemen.
