ending. KLONDYKE ON EVERY TONGUE. Canada Well Advertised in Every Part o Europe.

judgment in a number of cases now

MONTREAL, Jan. 6.—(Special)—C. J. McCuaig, who has just returned from England, says that the country has gone Klondyke mad, and he predicts an enormous increase in population in Canada during this year. A great many of the monied classes have been attracted to the Dominion as a field for investment and settling purposes, and a good deal of the immigration will be permanent. The same thing applies to a less extent to the continent of Europe, where Canada is on every tongue.

lis and the Western States, yet at the same time it has created antagonism in various quarters.

"I remember when Sir John Macdonald was roundly abused for negotiating the Washington treaty. To-day the route most talked about, the Stickeen river, is free to all imperial interests under that treaty. Still it would not surprise me at all to find prominent men in the United States prepared to question whether the freedom of navigation carries withit the right to utilize the Stickeen when in a frozen condition, or yet to find them insist upon laying an embargo upon gold conveyed through.

The ceded territory comprises an area of several square miles bounded by a larger zone around the bay, within which no measures or arrangements may be raised to the NERVOUS of DYSPEPTIC. No face the mine. Arriving at the food foot level safely, he examined the progress being made in extending the rough the west to take the jacket off, and that it would not surprise me at all to find prominent men in the United States prepared to question whether the freedom of navigation carries withit the right to utilize the Stickeen when in a frozen condition, or yet to find them insist upon laying an embargo upon gold conveyed through the time of the progress being made in extending the rough the west the jacket off, and that it would be confiscated. Of course the lady was indignant and there was a lively scene. The matter was referred to Question whether the freedom of navigation carries withit the right to utilize the Stickeen when in a frozen condition, or yet to find them insist upon laying an embargo upon gold conveyed through their territory to points in Canada.

October, 12th, 1897.

NOTICE is hereby given that we the undersigned intend to apply to the Chief Commissioner of Lands and Works of British Columbia for a lease of 640 acres of land for coal mining purposes and a license to work the same in accordance with the coal mining laws of British Columbia. The ground is situated on the south point of a large creek flowing into the Tuya river on the south side about 15 miles above the Tuya Bridge and about 20 miles northerly from Tatittan Bridge.
