Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. *J. C. STAND UP FOR YOUR TOWN

The calamity howler is out again with its usual long-drawn wail against the Town Council. There is nothing new, however, in its tale of woe. It has not even a good word to say about the four new members chosen, just merely that they have displayed some courage. The editor of that journal has, tried for several years to elect a council, or at least have a hand in its choice, to suit his tastes, but so far he has failed. Every candidate he championed was either defeated at the polls or could not even secure nomination. And how could it be otherwise. No newspaper deserves, or has a right to expect any better treatment, that endeavors to injure the good name of the town in which it is published, as well as the reputation of worthy citizens who have devoted so much of their time and energy to the growth and development of our town, and that too, without the slightest remuneration, whatever. It certainly does require some degree of courage, as well as patriotic sentiment on the part of citizens to offer their services in the public interest and expect to receive in return a tirade of abuse from an irresponsible newspaper whose editor has not even paid his last year's taxes

It is true our town council have made mistakes in the past, so have other town councils and all other classes of governing bodies the world over, not even excepting his beloved champion, Mr. Hazen and his government. So also have most of our private citizens in the management of their own affairs, and mistakes will continue to be made, not only by the town councils and other legislative bodies but by private individuals. It certainly requires no great genius to look back and see the mistakes of the past, what we should strive for is to look ahead and as far as possible avoid mistakes in the future.

Instead of persistently abusing our public men, who legislate for us with out remuneration it would surely be more sensible, and would certainly be more effective, to advise with and encourage them.

In a future issue we may devote some space to the individual capacity of the several members of our Town Council, and leave it to our readers to compare the sum total with the general make up of the calamity howler.

I consider MINARD'S LINIMENT the BEST Liniment in use.

I got my foot jammed lately, I bathed it well with MINARD'S LINIMENT, and it was as well as ever the next day.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local.

Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

SENSATIONAL EXPERIENCES IN SEARCH OF A CURE

$50 For One Specialist Alone

The varied and costly experiences of some people who suffer from skin diseases and get into the hands of so called 'specialists,' are rarely heard of. Almost daily the proprietors of Zam-Buk are receiving letters of gratitude from persons who have been cured by Zam-Buk, and in many cases these letters tell a story of suffering in the search for cure which is truly pitiful.

Mr. Arthur Fairbank, of 547 Lansdowne Avenue, Toronto, says: 'Some time ago I had a bad eruption on my forehead, which I attributed to getting infected at the barber's. This eruption became very sore and spread over my scalp in the form of open sores. I went to a doctor, who treated me for it. Still the sores spread until almost the whole of my head was affected. As the doctor's treatment did me very little good I left it off and tried various home remedies. I also tried various aperient medicines to try and cure the outbreak through the blood. Still it was in vain.

Then I tried blood mixtures, but not one of them did me any good. I was by this time in a shocking condition, and as a last resort I went to a skin specialist. He treated me for a period and it cost me over $50, but the sores got no better. They would itch and burn at times until I was nearly mad.

'One day a friend asked me why I had not tried Zam-Buk, and gave me a little. That little bit of Zam-Buk did me more good than all the long treatment I had had from doctors and specialists. I immediately sent for a supply of the balm and started right in to give it a proper trial. Very soon I began to feel a great difference in the sores and I knew that at last I had got something that would cure me. Zam-Buk cured me at a trifling cost. Indeed only a few boxes were necessary to do it.'

Not only for skin diseases, but for cuts, burns, bruises, piles, inflamed surfaces, etc., Zam-Buk is unequalled.

All druggists and stores, 50c. box or pots free from Zam-Buk Co., Toronto, for price. Refuse imitations.

YORK CENTRE

Quite an epidemic of la grippe is visiting Gaspe just now, there are very few houses that have not a case or two.

Some of our young people not long ago decided they would take a trip into the York Lumber Co.'s camps, so taking a married lady along with them as chaperon, they started. At first it was their intention to go only as far as No. 4 camp, but not finding the reception very cordial there, they decided to move on. They arrived at No. 3 camp after dinner was over but the cook, Mr. P. McManaman, very kindly prepared dinner for them After dinner, W. P. McCurdy, stable boss, hitched one of the teams and drove the ladies up to see the logs on the river and up the log road to see the skidways. As none of them had ever seen anything of the kind before, it was quite a sight. One place on the river there being 10,000 pieces hauled out in ten days. After arriving back at the camp, it was decided, that as the weather looked rainy it was better to return home. On the way out, when coming to the log road of No. 4 camp, they turned down this road to York River which they crossed and came down South West side of the river, passing on the way some of the lumber hauled by P. O. T. camps, and Mr. Murdock's buildings. On coming to the bridge they crossed once more to York side, arriving home about nine o'clock quite tired but all agreeing that they had a very pleasant day, and speaking in great praise of the kindness shown them by the foreman Jackson Miller, the cook P. McManaman and the stable boss, W. P. McCurdy, and hoping that at some future time they would be able to go again. Another thing that all parties were much pleased with, was the appearance of the horses in No. 3 Camp. They certainly are a credit to both teamsters, foreman and stable boss. And it was universally decided that the road was found to Dungarvon and the old man made the soup.

The Gaspe Amateur Operatic and Dramatic Society have been favoring Gaspe lately with a series of performances. On Easter Monday, a minstrel show was held in the church hall, Gaspe. On Tuesday the same show was repeated in the South West Hall. In both places they had a crowded hall.

On April 1st the Ladies Guild of York Centre held a sale and tea in the South West Hall in aid of a hall to be built in York. It was a decided success, both socially and financially.

On Wednesday, April 6th, Joseph Tuzo of York Centre was united in marriage to Miss Norah Melissa Mullin of the same place by Rev. D. Horner in St. Andrew's church. After the ceremony tea was served at the home of the bride's mother, to the immediate relatives of bride and groom.
