MEETING OF CURLING CLUB

Members Enthusiastic for the Coming Season.

A well attended meeting of the Campbellton Curling Club was held on Monday evening in the rink under the chairmanship of Mr. A. A. Andrew, president. The affairs of the club are in a healthy condition, and many new members are already added to the roll.

The retiring committees were all re-elected and a good season is anticipated. Besides the regular married versus single, the Presidents and vice-presidents series there will be two medal competitions, open to all members of the club. The club has also challenged for the McLeenan cup, and arrangements are being made to meet the Scottish curlers who are to visit Canada. The skips for the presidents prizes have been elected, and a meeting of the club will be held on Wednesday the 6th Dec. for the transaction of such business as may come up and at which meeting the skips will select their rink.

A full attendance is looked for. "Scoop her up."

Christmas Trees are Shipped via I. C. R.

At many places along the line of the Intercolonial Railway spruce saplings intended for Christmas trees are being delivered for shipment to citizens in the United States. The shipment of trees for the little ones of the neighboring republic has become quite an industry during the past few years, and it is evident that the forest resources in the States will not supply the demand, so the Americans have to look to Canada for their Christmas decorations. The trees being green and flexible are packed on flat cars in large quantities and sent to dealers in Boston, New York, Chicago, Detroit and even as far as St. Louis.

You will find that druggists everywhere speak well of Chamberlain's Cough Remedy. They know from long experience in the sale of it that in cases of coughs and colds it can always be depended upon, and that it is pleasant and easy to take. For sale by all dealers.

Patrons requiring advertising space in the Graphic for the Xmas season should make reservations of space at once as we expect our columns will be crowded. Already some reservations have been made. Call or phone Graphic office.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

We have a large shipment of No. 7 blue lined envelopes, good quality suitable for business correspondence which we are clearing out at \$2.00 per thousand, printed with your name, address, etc. Special price for larger lots. Price—Cash with order. Address—The Graphic, Campbellton.

PRICE WEBBER IN TOWN

Mr. H. Price Webber and his company visited Campbellton on Friday and Saturday of last week. Large audiences turned out at all the performances and greeted their favorite and his company with a warm cordiality. The localisms of Webber took the house by storm every time he appeared, and the acting of the other members of the company being much above average of the ordinary travelling company. Edwin Gray in all her roles played with a spirit and energy which is envied by many a younger artist.

Long may they yet tread the boards.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

Large Potato Shipments via I. C. R.

Potatoes are being shipped in large quantities over the Intercolonial Railway from various points to Ontario and Western Canada. Particularly large shipments of P. E. I. tubers have their origin at Point du Chene, where from the Island boats they are loaded on I. C. R. cars and forwarded to shippers in Montreal. The abundance of the crop in the Maritime provinces and the great demand for potatoes elsewhere form a happy combination of trade circumstances. There is great activity in handling the rush from Point du Chene before navigation closes.

If you are troubled with chronic constipation, the mild and gentle effect of Chamberlain's Tablets makes them especially suited to your case. For sale by all dealers.

Manitoba Will Be Enlarged.

Winnipeg, Man., Nov. 25—Premier Roblin returned to day from the east where he has conferred with Premier Borden regarding the extension of the Manitoba boundary. He says that the provincial government had got what they wanted—the placing of Manitoba on a basis of absolute equality of the sister provinces of Saskatchewan, and Alberta. The question of natural resources he said, would come up later on, it being Premier Borden's policy that when the other two provinces are being given consideration on their applications for their natural resources, Manitoba shall be considered on exactly the same footing. That was certainly as much as his government could expect, added the premier. He had nothing to say on the report from Toronto that Ontario was to get access to a port on the Hudson Bay through a friendly arrangement with Manitoba.

When you have a bilious attack give Chamberlain's Tablets a trial. They are excellent. For sale by all dealers.

WHIST PARTY AT HOTEL DIEU

The young man was greatly loved by all who knew him, and many beautiful flowers were placed on the coffin to show the respect in which he was held. The body was interred in the Presbyterian cemetery, Rev. Mr. Tattrie officiating at both service in the house and at the grave. The pallbearers were Messrs. Cameron, Albert and John Powers, Daniel, Donald and Audson McEae. His father, mother and family have the sympathy of all in their mourning.
