

Heart, Throat, Liver and Skin

DR. AGNEW'S FOUR FAMOUS SPECIFICS CURE COMPLETELY THE WORST DISEASES OF THESE PARTS—DREADFUL HEART DISEASE RELIEVED IN THIRTY MINUTES.

Heart disease will affect people differently, but in all cases it must be viewed with great alarm. Dr. Agnew's Cure for the Heart is the one remedy that can be safely depended upon in times of trouble. It will give relief in thirty minutes.

Mr. Thomas Petry, of Aylmer, Que., was troubled with severe heart complaint for five years, the pain, at times, being so severe that he could not attend to business. Every other remedy failed until he tried Dr. Agnew's Cure for the Heart, which gave immediate relief, and his words are these: "I have now taken four bottles of the remedy and am entirely free from every symptom of heart disease."

A cold in the head need not be trifled with, for it is catarrh in an incipient condition, and catarrh is not to be trifled with. Dr. Agnew's Catarrhal Powder, as scores of clergymen, members of parliament, and prominent citizens in the Dominion have borne testimony, drives away a cold in the head like magic, and where this has assumed the shape of aggravated catarrh, producing deafness and throat trouble, it effects a permanent cure.

It is not always safe to take pills for liver trouble. They not infrequently create other troubles that are serious. Dr. Agnew's Liver Pills, whilst thoroughly certain of removing all liver trouble, give no difficulty either at the time or afterwards. They are pleasant to take and cost only 10 cents.

The faculty that Dr. Agnew has displayed in getting at the seat of trouble is manifest in his Ointment, as in the other three remedies. This contains the elements that give speedy and permanent relief in all skin diseases and is peculiarly effective in curing piles. 35 cents.

Look out for This Man.

If he offers something "better" than Putnam's Extract, it's the additional profit on inferior goods that tempts him, Putnam's is the one sure and painless cure. Us: no other.

What to do Upon Certain Occasions.

If you are impatient, sit down and have a talk with Job.
If you are strong-headed, view Moses.
If you are getting week-kneed, look at Elijah.
If there is no song in your heart, listen to David.
If you are a policy man, read Daniel.
If you are getting sordid, spend a while with Isaiah.
If chilly, get the beloved disciple to put his arms around you.
If your faith is below par, read Paul.
If you are getting lazy, watch James.
If you are losing sight of the future, climb up to Revelation, and get a glimpse of the promised land.

ECZEMA

Skin Itches Intensely, Becomes Hard, Cracks, Bleeding Sores Develop, Pus is Discharged.

The prevalence of eczema is due in every case to the presence of humors and poisonous acids in the blood. These poisons come from fermentation of undigested food in the upper bowel or from discharged fecal matter in the lower bowel.

It is a waste of time to employ ointment or washes. No lasting benefit can be had from doctoring the skin when the cause lies in the blood. Rich, pure blood will bring new life to the skin—will surely restore beauty and richness of complexion.

Ferrozone is the best treatment. It acts on the blood instantly, acts with a purifying healing effect—neutralizes the acids—destroys the poisons—drives every humor from the blood.

So rich and nourishing does Ferrozone make the blood so cool and healthy, that the sores are healed—itchiness is soothed away—every trace of eczema poison removed.

If Ferrozone won't cure then nothing will—in all blood disorders its effect is instant—cure guaranteed. Try Ferrozone, thousands of it has cured—will cure you too. In 50c boxes at all dealers.

HANDS TERRIBLY CRACKED.

Zam-Buk Healed Them.

Over and over again the value of Zam-Buk for chapped and cracked places has been demonstrated. Mrs. Yellen, of Portland, adds her testimony, and says: "My hands were so sore and cracked that I could not put them near water. When I tried to do so they would smart and burn as if I had scalded them. I seemed quite unable to get relief from anything I put on them until I tried Zam-Buk, and the balm succeeded when all else had failed. It closed the big cracks, gave me ease, soothed the inflammation, and in a very short time healed my hands completely."

Hands that are chapped may be restored to the smoothness of health by judicious application of Zam-Buk.

The value of Zam-Buk, either as a protective or a corrective, cannot be over-estimated. A box should be on every dressing table.

Zam-Buk heals sores, cures eczema, skin eruptions, ulcers, ringworm, itch, barber's rash, blood poison, bad leg, salt rheum, abrasions, abscesses, cuts, burns, scalds and all skin injuries and diseases. Of all stores and druggists at 50 cents, or from Zam-Buk Co., Toronto, for price. 3 boxes for \$1.25.

Mistrusted His Ability to Grasp Danger Signal.

There is an old Irishman in Baltimore who for many years was prosperous as a grocer. Not long ago, however, the old fellow lost his all in "a side line," and was compelled to look for a job. Through the influence of a friend he was offered the position of crossing tender at a small railroad station in Maryland.

The Celt looked dubious as the duties of the office were explained to him and the meaning of the various flags were stated.

"In case of danger, you wave the red flag," explained the man told off to instruct Mike.

"Wait a bit," interrupted Mike, with a doubtful shake of the head. "I'm afraid this job'd be too much for me. I could never trust meself to remember to wave a red flag when there was a green wave handy."—Harper's Weekly.

One Damage Action.

The November Division Court sittings at Petrolia are to be held next Friday, and at least one interesting action is on the docket. At the instance of Thomas Glass, Messrs. The result of this case will be watched closely, as there is a conflict of opinion as to whether or not the company is liable for the damage done.

Jest Ask Dad.

Our family is the queerest one
I'll bet you ever see;
There ain't but one in all the batch
With a good quality,
The rest o' us have lots o' traits,
But all of 'em are bad,
An' if you don't believe me, why,
You jest ask dad.
There's sister Kate an' sister Nell,
Their faults is makin' breaks;
They ain't like pa a single bit,
Because they make mistakes.
They ought to have been better with
The trainin' they have had,
But if you don't believe me, why,
You jest ask dad.
Next comes my sisters, Bess and Sue,
With fault of too much style:
They seem to think o' nothin' else,
They talk it all the while.
They keep us in hot water with
Some fool, expensive fad,
An' if you don't believe me, why,
You jest ask dad.
Now last—not least—comes Bill an' me;
Forgettin' o' our trait,
It ain't no habit we've acquired,
It seems to be our fate.
We all take after ma, we do—
No wonder we're so bad—
An' if you don't believe me, why,
You jest ask dad.

SAYS THIS IS BEST

A leading health journal in answering the question, "What is the best prescription to clean and purify the blood?" prints in a recent issue the following:

Fluid Extract Dandelion one ounce;
Compound Saltono, one ounce;
Compound Syrup Sarsaparilla, four ounces.

Shake well and use in teaspoonful doses after each meal and at bedtime.

A well-known physician states that these are harmless vegetable ingredients, which can be obtained from any good prescription pharmacy. This mixture will clean the blood of all impurities. In just a few days the skin begins to clear of sores, boils and pimples. It puts vigor and energy into run-down debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while it built up and made new blood, the impurities remained within and the good accomplished was only temporary. Sarsaparilla, however, when used in combination with Compound Saltono and Extract Dandelion, works wonders. This combination puts the kidneys to work to filter and sift out the waste matter, uric acid, and other impurities that cause disease. It makes new blood and relieves rheumatism and lame back and bladder troubles.

BEER BUILDS BODIES

PURITY

Ontario beers are pure, above all else—far more pure than most of the milk sold in cities, because made under conditions of absolute hygiene.

FOOD VALUE

Boiled potatoes contain not nearly the nutriment that is in pure beer; milk will not feed most folks so well, nor digest so thoroughly.

LAZY stomachs mean poor digestions — they don't work hard enough to extract the good of one's food.

Beer* is a food-drink that makes the stomach do its work better, because it increases the flow of the digestive juices and gives the stomach muscles more strength to do their work.

Beer* is better for run-down people than medicine; and for thin-blooded people nothing else will enrich the blood so surely and quickly.

Ask your own doctor if you hadn't better drink beer with your meals.
