### JUDSON'S CHEMICAL EXTRACT OF

### CHERRY AND LUNGWORT, FOR THE CURE OF

**Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.**

DO NOT BELIEVE THAT NO MAN'S ENLIGHTENED SENSE COULD DISCOVER THAT THIS REMEDY IS THE MOST EFFECTIVE FOR THE CURE OF CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of Medicines which are peculiarly adapted to and essentially necessary for the cure of

**COUGHS AND CONSUMPTION.** The operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expiration, producing a most delightful change in the breathing and chest, and thus, after the prescriptions of the very best medical men and the inventions of kind sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

**THOUSANDS OF CONSUMPTIVE** persons have been deceived in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, pains in the side and chest, night sweats, &c. &c. About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, and we refer them to any person calling at our office. This medicine will speak for itself and enough in its own favour wherever it is tried.

**CAUTION.**—This medicine is put up in a large bottle and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

**TO OWNERS OF AND DEALERS IN HORSES.**

**CARLTON'S FOUNDER OINTMENT** For the cure of Founder, Spavin Hoof bound Horses, and contracted and Swollen Feet, Wounds, Bruises in the flesh Galled Backs, Cracked Heels, Scratches Cuts, Kicks, &c. on Horses.

**CARLTON'S RING BONE CURE,** For the cure of Ring Bone, Blood Spavin, Bone Spavin, Windgalls, and Splints—a certain remedy.

**CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.** The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at those changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horses, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or produced a bad state of the blood are speedily cured by them. Extract of a Letter from Mr. Matthew Harvey, of Chapel Hill, North Carolina, dated the 15th of January, 1852.

Dear Sir—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent doctors, who after giving what they could for me, stated that they considered my case hopeless. I thought I had lost my last chance, but I had a box of your Pills, which I had been taking for some time, and which I had been advised to take by a friend.
