BUY NO INCUBATOR

and pay for it before
giving it a trial

The firm who is afraid to let you try their incubator before buying it has no faith in their machine. We will sell you ours **ON TRIAL. NOT A CENT** until tried, and a child can run it with 5 minutes' attention a day.

We won **FIRST PRIZE WORLD'S FAIR** and will win you for a steady customer if you will only buy ours on trial. Our large catalogue will cost you 5 cents and give you \$1.00 worth of practical information on poultry and incubators and the money there is in the business. Plans for Brooders, Houses, etc., 25 cents. N.B.—Send us the names of three persons interested in poultry and 25 cents and we will send you "The Bicycle: its Care and Repair," a book of 180 subjects and 80 illustrations, worth \$5 to any bicycle rider.
