Miss Murphy, who has been for five years connected with the school as teacher of French and Music, has resigned, but the Committee has been able to secure Miss Hedges, of Quebec, to take her place.

The prospects for an increase of pupils for next year are excellent. A gentleman in Boston, Mass., has signified his intention of sending his five daughters next September.

During the absence of the Rev. G. H. Parker the supervision of the repairs in the building has been undertaken by Mr. James Cochrane.

In answer to the appeals which have been made, about \$300 have been sent in for the repair fund, but this is only about one third of what will be required. It is hoped that the friends of the College will not see the work stopped for want of money. The Committee have resolved that no debt is to be incurred, and the repairs will only go on as the funds come in.

THE TWENTY-FOURTH ANNUAL REPORT OF THE GUILD OF ST. MATTHEW.

The work of the Guild has progressed steadily and without interruption, with the exception of the usual pause at Christmas-tide, to enable the members to assist in the Church decorations. At the opening meeting in October, the Warden addressed the Guild, impressing upon them the importance and sacredness of all work which was undertaken for Christ. The Vice-Warden gave instructive and interesting addresses at four of our Monthly Meetings, on "Cultivating the Intellect," "Our Belief in God and the Doctrine of the Trinity," "Christian Evidences," and "The Future Life." At our January Meeting the Lord Bishop of Ottawa, at the invitation of the Warden, was present, and said many kind words of encouragement, dwelling especially upon the value of our efforts to make God's House beautiful and attractive.

There were twenty-seven weekly meetings, at which a good deal of work was accomplished.

It was decided at the Annual Meeting that two Altar Cloths should be presented to Lennoxville College Chapel, one of these, a violet one, has been sent, and the green is now in hand and will shortly be ready. The work done for St. Matthew's Church was given gratuitously as in former years. In addition to these, gifts of Surplices, Stoles, Fair Linen Sets, etc., were made to Mission. In our own Diocese and elsewhere, besides assistance given to procure Altar Vessels, etc.

I regret to say the average attendance was only a fraction over 13 against 16 last year.

Respectfully submitted,

ANNIE L. IRVINE,

Sec. Guild of St. Matthew.
