LOSS OF VOICE AND CONSUMPTION CURED.

Fredericton, June 19, 1884.

DR. WASHINGTON—

Dear Sir,—I write you under feelings of intense gratitude for your Spirometer and other instruments and medicines, which have entirely restored me to blooming health. I was given up to die of consumption, and, in fact, had no hope of ever recovering myself. Lost my voice for fifteen months. All the symptoms of consumption present—so much so, indeed, that our family physician and others gave me up to die. The change of treatment came in time to save my life, and it is for the benefit of others who are afflicted as I was that my name is allowed to appear in public print. I can heartily recommend the treatment to all who wish to be saved from the grave.

Yours truly, MISS JEANETTE BEVERLEY.

WESLEY BULLEN.

CONSUMPTION ARRESTED.

H. G. Wilson, 125 Granville Street. HALIFAX, N. S., June 24th, 1885.

To DR. WASHINGTON, Throat and Lung Surgeon, Parlor 73, International Hotel

Dear Sir,—Having been troubled with weak lungs and hemorrhage for some time with every indication of speedy consumption, concluded to try your "INHALATION TREATMENT," with the most flattering results. In fact to-day I am attending to my general business without noticing my former weaknesses, or that my lungs were ever affected. Your treatment cannot be too highly recommended.

H. G. WILSON.

ANOTHER REMARKABLE TESTIMONY.

CONSUMPTION CURED IN THE LAST STAGE. CAPTAIN WILLIAM SALTER, No. 27 Granville Street Halifax N. S.

N WASHINGTON M D, Throat and Lung Specialist, Toronto.

Dear Sir—When you visited me in the latter part of January, I had been given up to die of consumption by a consultation of physicians, who considered that my recovery was simply impossible. I had no hope myself, nor had my family. When you expressed a hope of my recovery, it was received with a good deal of doubt. Confined to my bed, with low, weak, wasted, night sweats very bad troublesome cough, raising large quantities of matter, in fact every appearance of a speedy death. After using your Respirator and Spirometer, and medicines, I began to recover very fast, so much so that during three hard winter months I have gained from 20 to 25 lbs., and was able to walk out on Easter Sunday. My strength is daily increasing, and I shall be able soon to be at work. To you I owe a deep sense of gratitude, and am anxious for others who are suffering as I was, to consult you. You can make what use of this letter you see fit, and thanking you for what I consider a most wonderful treatment. I remain yours truly,

CAPT. W. SALTER.

SPRING HILL COAL!

AGENCY CUMBERLAND RAILWAY AND COAL COMPANY

We offer this now celebrated COAL at Reduced Prices, heretofore it has not been sold in this market to any extent, owing to its high price.

It is a very superior Coal for domestic purposes, owing to its comparative freedom from smoke or soot, sulphur and clinker.

It ignites very readily and burns freely, and has only 4 1/2 per cent of ash, less, we believe, than any other now in the market.

It is particularly suitable for Ranges, Cooking Stoves, Hot Water Furnaces, or soft coal Magazine Stoves, and it makes a clear, pleasant parlor fire. Give it a trial and you will be convinced.

For producing steam, we think nothing here can equal its advantages.
