There are at least 28 new steamships now being constructed for the leading transatlantic lines plying between New York and European ports. Some of these are practically completed and will soon be placed in commission, while most of them will probably be finished and put into service within the next year or so. Four out of this number will carry cargo exclusively, the others being freight and passenger steamers.

"What we have we'll hold"  
As every man who has purchased Page Fencing knows he has the best Fence on the market.

"What we haven't we're after"  
and if you are in the market for fencing we would like to have you consider the merits of the "Page" Fence. Coiled Wire, made in our own Wire Mill, woven by ourselves. Shipped already to put up.
