An Interesting Question to not a Few.

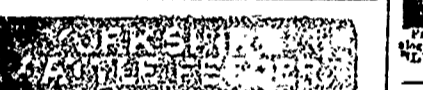

It is now an ACKNOWLEDGED FACT—acknowledged by professionals and amateurs, by competitors in trade, as well as patrons, that the HEINTZMAN PIANOS,

Canada manufacture, are equal in quality to the best imported ones from the United States. It is, therefore, AN INTERESTING QUESTION for intending purchasers, how

Our Home made Instruments compare in Price with a good American made up. It looks extravagant to say that by purchasing of us buyers save at least

ONE HUNDRED DOLLARS, But we simply beg to direct attention to American catalogues, &c., and our assertion will be verified.
