

THE NEW YORK SUN.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the WEEKLY SUN is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported.

The price of the WEEKLY SUN is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of the paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of pre-paid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the WEEKLY SUN at this rate. Any one who sends one dollar and twenty cents will get the paper, postpaid for a year.

We have no travelling agents.

NEW BOOKS.

The Insolvent Act of 1875; including full notes to each section, Tariff of Costs, Index, and List of Cases, By Hugh MacMahon, Esq., of Osgoode hall, Barrister-at-Law, (London, Ontario).

Toronto: Willing & Williamson, 1875. 274 pages. Cloth \$3.00; half calf \$4.00.

This is the title of a timely edition of the Insolvent Act which has just come into operation. Every care has been taken in annotating to give the latest decisions of the English and Ontario Courts, and in some cases of importance, full notes of the decisions of the Courts of Quebec have been inserted.

Under some of the divisions, such as "Composition and Discharge," "Dividends and Fraud and Fraudulent Preferences," the notes of cases are numerous and full, so they will be of advantage not only to the Legal Profession, but also to the non-professional enquirer who can understand therefrom the principles by which the Courts are guided in adjudicating upon the various questions which come before them under the Bankrupt Laws.

The greatest care has been bestowed on the Index, which will be found unusually copious, while the list of cases cited has received equal attention in its preparation.

Every precaution has been taken to ensure correctness; and an endeavor has been made by careful annotations to preserve the work within moderate limits, so that it might be presented in a form which, it is hoped, will prove most generally useful.
