CHEERING NEWS FOR THE SICK.

Whitesville, N. Y., July 10, 1848. Mr. Seth W. Fowle: Dear Sir.—It is with pleasure I write you this certificate, stating my experience in the use of Dr. Wistar's Balsam of Wild Cherry. In November last I was taken with a severe cough. My lungs were much affected, so much that it was with difficulty I could breathe. Hearing of your Balsam, I procured and took part of one bottle; and to my utter astonishment, my lungs were freed and my cough cured. I am happy to recommend this Balsam of Wild Cherry to the public as one of the best medicines for coughs and colds I ever used.

Now that this preparation is well known to be a more certain cure for incipient CONSUMPTION, ASTHMA, LIVER COMPLAINT, COUGHS, BRONCHITIS, and all similar affections, than any other remedy ever known, there will be, and NOW ARE found those so villainously wicked as to concoct a spurious, and perhaps poisonous mixture, and try to palm it off as the genuine Balsam. We advise the public of these schemes, that their health may not be trifled with, nor ourselves plundered of our just rights. The genuine is original.

Wistar's Balsam of Wild Cherry.

On account of its great popularity, has been EXTENSIVELY COUNTERFEITED IN PHILADELPHIA, and some thousand bottles of the spurious imitation thrown into the market and extensively circulated.

The genuine is signed I. BUTTS. For Sale by LYMAN & KNEESHAW, Druggists, King Street Agents for Toronto.

ALTHOUGH this Society has mainly in view the intention of enabling members of the Church of England to contribute, by the payment of small periodical sums, towards either the endowment of a Church of England University, (in accordance with the recommendation of His Lordship the Bishop in his recent Pastoral Letter), or the building and endowment of Churches, Parsonage Houses, and School Houses, in connexion with the Church of England—the Society, nevertheless does not contemplate restricting its operations to those objects only. On the contrary, like other Building Societies, the advantages of the Church of England and Metropolitan Building Society will be fully open to all parties, without distinction, who may choose to take Stock therein, either for investment—the acquisition of freehold or leasehold estate—the removal of incumbrances or liabilities upon property—or the privilege of borrowing the amount of their shares in advance, upon furnishing approved mortgage security.

Printed copies of the By-Laws and Regulations can be obtained from the undersigned, at the Offices of the Society, Albany Chambers; and it is requested that all Communications be post paid.

THE BRITISH PERIODICALS

AND THE FARMER'S GUIDE.

LEONARD SCOTT & Co., No. 54, Gold Street New York, continues to publish the four leading British Quarterly Reviews and Blackwood's Magazine; in addition to which they have recently commenced the publication of a valuable Agricultural work, called the "Farmer's Guide to Scientific and Practical Agriculture."

By HENRY STEPHENS, F.R.S., of Edinburgh, author of the "Book of the Farm," &c. &c.; assisted by JOHN P. NORTON, M.A., New Haven, Professor of Scientific Agriculture, in Yale College, &c. &c.

This highly valuable work will comprise two large royal octavo volumes, containing over 1,400 pages, with 18 or 20 splendid steel engravings, and more than 600 engravings on wood, in the highest style of the art, illustrating almost every implement of husbandry now in use by the best farmers, the best methods of ploughing, planting, haying, harvesting, &c. &c., the various domestic animals in their highest perfection; in short, the pictorial feature of the book is unique, and will render it of incalculable value to the student of agriculture.

The work is being published in Semi-monthly Numbers, of 64 pages each, exclusive of the Steel engravings, and is sold at 25 Cents each, or \$5 for the entire work in numbers, of which there will be at least twenty-two.

The British Periodicals Re-published are as follows, viz.:

- The London Quarterly Review, (Conservative);
The Edinburgh Review, (Whig);
The North British Review, (Free-Church);
The Westminster Review, (Liberal); and
Blackwood's Edinburgh Magazine, (Tory).

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other Journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel" (both by Bulwer), "My Peninsula Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by M. Scott & Co., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS:

- For any one of the four Reviews \$3.00
For any two do 5.00
For any three do 7.00
For all four of the Reviews, 8.00
For Blackwood's Magazine, 3.00
For Blackwood and three Reviews, 9.00
For Blackwood and the four Reviews, 10.00
For Farmer's Guide (complete in 22 Nos.) 5.00

(Payments to be made in all cases in Advance) Money, current in the States where issued, will be received at par.

Remittances and communications should be always, post-paid or franked, to the Publishers.
