MONEY TO BE SAVED.

FROM FIFTEEN TO TWENTY-FIVE PER CENT.

J. CHARLESWORTH

HAVING hitherto had a branch business in the Town of Woodstock, C. W., in addition to the one in Toronto, has determined to close up one of the two shops; and in order to clear out the

WHOLE STOCK OF

MILLINERY, STAPLE, AND FANCY DRY GOODS,

AT THE

TORONTO HOUSE,

Victoria Row, No. 60, King Street East,

6 doors West of Church Street Toronto.

Has commenced selling off **The entire Stock at a Reduction** that will correspond with the above assertion, that is from 15 to 25 per cent. below the usual selling prices—which has always been as low as others in the trade, if not a little lower. These inducements will not continue to be held out for a long time, and could not be given in the ordinary way of doing business. The object now is to sell out the whole Stock and not to make profit. An inspection of the stock and prices will convince all candid persons that the Reduction is a reality.

J. C. would call particular attention to his **MILLINERY DEPARTMENT**, which will be found very large; entirely too numerous to enumerate.

His **DRY GOODS DEPARTMENT** will be found replete and furnished with all that is requisite for family furnishing.

J. C. does not quote prices in his advertisements; but condenses the habit fallen into by some of our respectable tradesmen of this city of quoting prices for goods that every reasonable and candid person will at once admit to be erroneous and absurd. You are respectfully requested to call and examine the goods, enquire the Prices and be your own judge as to their value.

J. C. Would dispose of the Stock in one lot, together with his interest in the premises and the Shop fixtures.—The Stand is a good one and the house in neat order.

HEALTH WHERE IT IS SOUGHT

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing.

Extract of a Letter from Mr. Smith of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850

To Professor Holloway,—

Sir,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of who after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised and resolved to give them a trial, more perhaps from curiosity than a hope of being cured, however. I soon found myself better by taking them, and so I persevered in their use for six months, when I am happy to say they effected a perfect cure.

[Signed] WILLIAM SMITH

These celebrated Pills are wonderfully efficacious in the following complaints.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increasing its enjoyment, and even prolonging the term of human existence, none can be named of more real value to mankind, than this discovery of Chemistry to the Healing Art. A vast trial of its efficacy throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so effectually control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands of a victim's hands every year. Indeed, there is now abundant reason to believe a remedy has at length been found which can be relied on to cure the most dangerous affections of the lungs. The space here will not permit us to publish any proposition of the efficacy of Ayer's Cherry Pectoral, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agent below named, will always be pleased to furnish free of charge in all full particulars, and indisputable proof of these facts.

From the President of Amherst College, the celebrated Professor Hitchcock.

"James C. Ayer—Sir: I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and an asthmatic form of chemical constitution, that it is an admirable compound for the relief of laryngeal and bronchial difficulties. If my opinion as to its superior character can be of any service, you will be glad to use it as you think proper."

From the widely celebrated Professor Simon D. D. D. D. Professor of Chemistry, Mineralogy, &c. Yale College, Member of the Lit. Hist. Med. Phil. and Scientific Societies of America and Europe.

"I deem the Cherry Pectoral an admirable preparation from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure." New Haven, Ct., Nov. 1, 1849.

Major Pattison, President of the M. C. Society, states he has used the Cherry Pectoral with wonderful success, in curing inflammation of the lungs.

From one of the first Physicians in Maine.

Dr. J. C. Ayer, Lowell. Dear Sir: I have used your Cherry Pectoral in my practice, and prefer it to any other medicine for pulmonary complaints. In the most severe cases, I am confident it will be found to be the best cases of the lungs, that have put to death our citizens.

I invariably recommend its use in cases of a cough, and consider it much the best remedy known for that disease.

Respectfully yours, J. S. CROCKER, M.D.

Prepared and sold by James C. Ayer, Practical Chemist, Lowell, Mass.

Sold in Toronto by Lyman Brother & Co., in Hamilton by Hamilton & Kneeshaw; in Kingston by F. W. Lamer; in New York by J. & W. G. Wood; in Quebec by Joseph Bowers, and by the Druggists everywhere throughout the Province and United States.

Toronto, March 9th, 1852.
