(Young Workers)

Program

Finnish Career Development
Exchange

General

This program is designed for Canadian candidates who have graduated in disciplines related to Architecture, Engineering, Forestry or Urban Planning.

Duration of training

Up to 18 months

Conditions for admission

To be eligible applicants must:

- be graduates of a university or institute of technology or equivalent educational institution;
- have a minimum of one year's working experience directly related to their academic degree or diploma;
- undertake their period of training in their own profession or trade;
- be 18 to 30 years of age; and
- have a working knowledge of English, Finnish, Swedish or German (certificate from a language teacher needed if Finnish or English is not your mother tongue).

Training areas

If you are a graduate in one of the fields mentioned above, we shall relay your application to the Finnish government which will undertake a job search on your behalf.
