No ECT/653

EXCELLENCY:

I have the honour to acknowledge receipt of your Note of May 22, 1973 proposing that an agreement be concluded between the Government of Canada and the Government of Iceland on the reciprocal granting of authorization to permit licensed amateur radio operators of either country to operate their stations in the other country, in accordance with the provisions of Article 41 of the International Radio Regulations, done in 1959 at Geneva.

I am pleased to confirm that the Government of Canada is prepared to conclude such an agreement on the basis of the conditions outlined in Your Excellency's Note.

I have the honour to inform you that the Canadian Government accepts those proposals and agrees that your Note and this reply, the French and English texts of which are equally authentic, shall constitute an Agreement between the Government of Iceland and the Government of Canada which shall enter into force on the date of this Note and shall remain in force until terminated upon six months' notice, in writing, by either Government.

Accept, Excellency, the renewed assurances of my highest consideration.
