

- 11 -

Let me end as I began by telling you how grateful I am for providing me with this opportunity and to say to you that you have been a most receptive audience whose patience I fear I have tried unduly with the length of my remarks, but when you have this kind of chance, which may never come again, you want to get it all off your chest and if I've missed anything I'll be glad to answer your questions.

Thank you all very much.
