ORDER OF REFERENCE

Extract from the Minutes of Proceedings of the Senate, Thursday, February 26, 1953:

"That the Standing Committee on Canadian Trade Relations be empowered to enquire into and report on—

1. What, in their opinion, might be the most practical steps to further implement Article 2 of the North Atlantic Treaty whereby the signatories to that document agreed that—"They will seek to eliminate conflict in their international economic policies and will encourage economic collaboration between any or all of them".

2. That notwithstanding the generality of the foregoing, the Committee be instructed and empowered to consider and report upon how, in their opinion,

(a) any project for developing economic collaboration, specifically between the countries who are signatories to the North Atlantic Treaty, can be co-ordinated with the trade policies of other countries of the free world;

(b) any project for developing economic collaboration between the countries which are signatories of the North Atlantic Treaty, might have the same degree of permanence that is contemplated in the twenty year Military obligation under Article 5 of the Treaty whereby "The Parties agree that an armed attack against one or more of them in Europe or North America shall be considered an attack against them all".

3. That the Committee be empowered to extend an invitation to those wishing to be heard, including representatives of agriculture, industry, labour, trade, finance and consumers, to present their views, and that the Committee also be empowered to hear representations from business interests or individuals from any of the NATO countries who might wish to be heard.

4. That the Committee be empowered to send for persons, papers, and records, and to secure such services as may be necessary for the purpose of the enquiry.

L. C. MOYER,
Clerk of the Senate".
