The results of the sub-project are expected to benefit all northern people. Specific allocation of DREE funds to each group is not made; (ii) see reply to question No. 5,282, 2(a)(ii); (f) As of March 31, 1976, \$35,369 in DREE funds have been authorized; (i) The numbers of people of native ancestry directly employed is not available. The results of the sub-project are expected to benefit all northern people. Specific allocation of DREE funds to each group is not made; (ii) see reply to question No. 5,282, 2(a)(ii); (g) As of March 31, 1976, \$14,000 in DREE funds have been authorized; (i) The numbers of people of native ancestry directly employed is not available. The results of the sub-project are expected to benefit all northern people. Specific allocation of DREE funds to each group is not made; (ii) see response to question No. 5,282, 2(a)(ii); (h) As of March 31, 1976, \$12,000 in DREE funds have been authorized; (i) The numbers of people of native ancestry directly employed is not available. The results of the sub-project are expected to benefit all northern people. Specific allocation of DREE funds to each group is not made; (ii) see reply to question No. 5,282, 2(a)(ii).

4. (a) As of March 31, 1976, \$603,390 in DREE funds have been authorized; (b) Over 20 people of native ancestry are employed directly year-round in the project with approximately 15 more employed in summer months. The project is aimed at assisting over 700 northern fishermen, of whom approximately 95 per cent are people of native ancestry. Specific DREE funds have not been allocated to each group; (i) see reply to question No. 5,282, 2(a)(ii).

COMMUNITY ECONOMIC DEVELOPMENT PROGRAM (PROGRAM 2)

Question No. 5,286—**Mr. Korchinski:**

1. Has the Department of Regional Economic Expansion committed itself to the Community Economic Development Programme (Program 2) and, if so, in what amount?

2. How much is allocated to Project 1, Economic Development Planning and Feasibility Studies, for (a) Sub-project 1, Development Unit—Economic Development Branch (b) Sub-project 2, Green Lake Socio-economic Study and, in each case, how many (i) Indian or Metis people are involved and what is the allocation of funds to each group (ii) departmental or resource people are involved and what is the cost of their services?

Mr. Cliff McIsaac (Parliamentary Secretary to Minister of Regional Economic Expansion): The reply for the Department of Regional Economic Expansion is as follows:

[Mr. McIsaac.]

1. Yes. The Canada-Saskatchewan Interim Subsidiary Agreement on the Saskatchewan Northlands allocates \$198,000 in DREE funding to the program. The program complements the Canada-Saskatchewan Special ARDA Program.

2. (a) As of March 31, 1976, \$39,000 in DREE funds have been authorized; (i) The Development Unit—Economic Development Branch is an office of the provincial department of northern Saskatchewan. DREE funds are not specifically allocated to each group; (ii) See reply to question No. 5,282, 2(a)(ii); (b) As of March 31, 1976, \$22,200 in DREE funds have been authorized; (i) The Green Lake Socio Economic Study is being carried out by Amisk Planning Consultants of Winnipeg, under contract to the provincial department of northern Saskatchewan. Local people of native ancestry are being employed to gather information for the study. The total population of Green Lake is 675. DREE funds are not specifically allocated to each group; (ii) See response to question No. 5,282, 2(a)(ii).

TRANSPORTATION PLANNING PROGRAM (PROGRAM 1)

Question No. 5,287—**Mr. Korchinski:**

1. Has the Department of Regional Economic Expansion committed itself to the Transportation Planning Programme (Program 1) and, if so, in what amount?

2. How much is allocated to Project 1, Transportation Planning, for (a) Sub-project 1, East Side Transportation Study (b) Sub-project 2, Southern Overland Access Study and, in each case, how many (i) Indian or Metis people are involved and what is the allocation of funds to each group (ii) departmental or resource people are involved and what is the cost of their services?

3. How much is allocated to (a) Project 2, Highways (b) Project 3, Community Access Roads (c) Project 4, Community Airstrips and, in each case, how many (i) Indian or Metis people are involved and what is the allocation of funds to each group (ii) departmental or resource people are involved and what is the cost of their services?

Mr. Cliff McIsaac (Parliamentary Secretary to Minister of Regional Economic Expansion): The reply for the Department of Regional Economic Expansion is as follows:

1. Yes. The Canada-Saskatchewan Interim Subsidiary Agreement on the Saskatchewan Northlands allocates \$9,300,000 in DREE funding to the Program. An additional \$7,500,000 has been allocated by Transport Canada.

2. (a) As of March 31, 1976, \$12,000 in DREE funds have been authorized; (i) A consulting firm, Clayton, Sparks and Associates of Regina is carrying out the study, under contract to the provincial department of northern Saskatchewan. No specific allocation of DREE funds to each group has been made; (ii) See reply to question No. 5,282, 2(a)(ii); (b) As of March 31, 1976, \$6,000 in DREE funds have been authorized for the Southend Overland Access Study; (i) The work has been carried out by a consultant under contract to the provincial department of northern Saskatchewan. No specific allocation of funds to each group has been made; (ii) see reply to question No. 5,282, 2(a)(ii).

3. (a) As of March 31, 1976, \$5,969,310 in DREE funds have been authorized; (i) The direct involvement of people of native ancestry through employment in the sub-project is not available. Priority is given to the employment of northern residents in the work. Funds are not specifically allocated to each group; (ii) See reply to question No. 5,282,
