### WILL CONFER ON POTATO EMBARGO

Canadian Interests to Be Represented at Discussion in Washington.

(Special to The Toronto World).  
OTTAWA, Dec. 1.—In response to representations made to the British ambassador at Washington in regard to the possibility of an embargo being imposed on Canadian potatoes because of powdery scab, the department of agriculture at Ottawa has been apprised that the United States department of agriculture is contemplating the holding of a conference on Dec. 18. An opportunity will be given at that conference for Canadian interests to be represented. Pending the conference there will be no extension of quarantine and therefore no embargo on Canadian potatoes.

### DECREASE IN CUSTOMS NOT DISTURBING SIGN

Revenue in November Fell Off by a Million Dollars.

(Special to The Toronto World).  
OTTAWA, Dec. 1.—The decrease by \$1 million dollars of the customs revenue for the month of November, as compared with October, is explained by the department as a regular occurrence. Early in the summer manufacturers and retailers lay in the bulk of their supplies.  
At the same time there is a general spirit of economy observed throughout the country. For the eight months of the present fiscal year the revenue amounts to seventy-six millions, and it is expected that at the end of the year it will run up to about one hundred and fifteen millions, the same as last year, which was exceptionally strong in imports.

### TWO TELEPHONE LINES TO COMPLETE CONNECTION

Ontario Board Makes Order Whereby Thirteen Companies Will Be Linked Up.

(Special to The Toronto World).  
BROCKVILLE, Dec. 1.—The Malorytown Independent Telephone Co. must link its lines immediately with those of the Plum Hollow and Elmdale Co. and an order to this effect was made today by Chairman D. M. McIntyre at a sitting of the Ontario Railway and Municipal Board after hearing representatives of the parties interested.  
The Malorytown concern gave as the reason for holding off that it was afraid of losing connection with the Bell Company by so doing.  
These are the last two lines in the counties waiting to be linked up. When the arrangement is made there will be connection between a total of thirteen rural companies in Leeds and Grenville.
