THE STANDARD DRY KILN

READ THE RECORD

In so important a matter as the purchase of a drying plant, it is worth while to "read up" on the subject and learn thereby that

THE STANDARD DRY KILN has made the one record worth the reading. It has been before the public nearly fifteen years. It leads, as it always has, in improvements. It is used by more representative concerns than all others. It has met with a greater degree of success than all others, consequently it has many imitators. It is not an experiment—it does not infringe on anyone's patents. Send for Catalogue, testimonials and estimates. **OUR MOTTO. Not how cheap, but how good.**

SOMETHING SPECIAL

We direct your attention to the above illustration of our **NEW PEAVEY**. Its good points will at once be apparent to and appreciated by all practical lumbermen.

Note the improvement in the socket—a fin running from the base of the hook to point of socket.

It is made of the very finest material, and is the most practical and up-to-date Peavey on the market.
