City Teachers and Senior Meds played an interfaculty game, senior series, yesterday. City Teachers put it all over the Meds, who played a very poor game. The latter's good defence saved the score from piling up to any greater proportion. The Meds' forward line went to pieces, playing all over the field, even interfering with the full-backs in their good work. City Teachers played a good game, needing only a little more combination. The line-up:

City Teachers (2): Goal, S. A. Armstrong; full, Woodward and Scott; halves, Leitch, Mason, Irwin; forwards, Yule, Mustard, Dunkly, Bulmer, Brown.

Meds (0): Goal, Brooks; full, Scott and White; halves, McCullough, McLain, Swinerton; forwards, McClenahan, Langford, Dick Hodgins, Leary.

Ten thousand persons yesterday, at Sidney, N.S.W., saw Billy Papke toy with Eddie Williams, a big Australian heavyweight, and then knock him out in the sixth round. Papke demonstrated at every stage that he was easily the master of Williams, despite the latter's big advantage in weight, height and reach. Had Papke "gone after" Williams from the start of the battle, the contest would not have lasted three rounds.

Ottawa Rugby News.

OTTAWA, Oct. 26.—(Special.)—Tom Clancy again took charge of the Ottawas this afternoon and with every man of the team in uniform, the locals put in a very useful practice. Light work outs, with lots of sprinting, kicking and catching, comprises the Ottawa teams' work from now on, and the men are shaping up faster every day. Fred Chittick also helped out yesterday, he with Clancy sending the men thru their paces in shifty style.

Argonauts are boasting of Ross Binkley's kicking and generalship, but Clancy and his halves are not worrying very much about Binkley's work, and they will send up four of the best half-backs in the Big Four to offset Binkley and co. The team will be exactly the same as that which trimmed the Tigers, while Dave McCann and Peter Ferguson will be available also. Practice to-morrow afternoon and another signal work will fit the men to a nicety.

Accepting the terms of the Toronto Amateur Athletic Club Rugby team for a match at Rosedale on Thanksgiving Day, the Ottawa football executive closed arrangements for a pleasant outing, which is planned for the team on its western trip the end of the week. The Ottawas have been guaranteed $150 expenses by the Toronto club, and will receive half the gate receipts, Western officials will likely act.

Despite the fact that the Ottawas are playing an out-of-town game on Saturday, the football fraternity of the capital will not be deprived the privilege of witnessing a championship battle. The much touted Varsity team will meet the Ottawa College team in the afternoon at the oval.

The local college have held two fast practices since the Queens game on Saturday and will be in the pink of condition by the end of the week. Contway will be back in the game again and will likely hold down a place on the line. Mulligan and Lacey, who were also badly injured in the Kingston game, will also be in uniform. The only uncertainty in connection with the fourteen is whether or not Sullivan will be able to don a suit again this year. Father Fallon stated positively last night that he would not be in Saturday's game, and also stated that there was a possibility of him being out of the game for the remainder of the season. A couple of weeks ago Sullivan had an operation performed on his nose, and the member has not yet healed up.
