ADVANCE IN RAW RUBBER ISAAC M'MICHAEL DEAD HAS NO EFFECT HERE END CAMEAT BALTIMORE

Crude Article Up to \$1.60 in New General Manager of Great North Western Learned Telegraphy From Ground Up.

News was received yesterday afterrubber will have no immediate effect on prices for manufactured rubber goods in the Canadian market, according to the opinions expressed to The ing to the opinions expressed to The

world by local trade interests last guence of illness, returned north as far as Baltimore for medical treat-Crude rubber has been on the up ment. His residence here was 123 St. grade for about a month now, and Clair-avenue. His son, S. B. McMichael,

grade for about a month now, and was quoted in New York yesterday at \$1.60 per pound. This compares with \$1.13 on Jan. 19, which was the date of the inception of the movement. The deceased was a native of Brantford, and his career was a source of pride to the residents of that city. At the age of 16 he learned telegraphy and consider trade were evidently pretty of the inception of the inovement. The Canadian trade were evidently pretty well informed on existing conditions, and were looking for an advance, for cealers bought heavily at the lower prices which prevailed around the because of the Western prices which prevailed around the because of the Western Union. In 1861 he went to St. Louis to the age of 16 he learned telegraphy and the age of 16 he learned telegraphy and served for four years as operator with the Montreal Telegraph Co. and the Buffalo and Lake Huron Railway Co. at Brantford. He went to Ohio in 1860 and entered the service of the Western Union. In 1861 he went to St. Louis to sinning af the year, and in consequence will not be immediately affected by become a military telegraph operator of the United States government. He remained in this service in Missouri, Kansas, Arkansas and Indian Territory the higher prices.
"I do not look for any increase in the prices of manufactured rubber goods in Canada just now," said the manager of a large rubber goods house, "but, of course, if the upward movement continues, we will have to raise our prices, in the upward movement prices. until 1865, when he rejoined the Western Union as operator. In 1868 he be-came chief clerk to the new general manager of the Western Union, R. C.

course, if the upward moves tinues, we will have to raise our prices. The manufacturers are heavily stocked up with the raw material, however, and will not be in the market for crude rubber for some time. The rapid advance is attributed by pron nent representatives of the trade of the operations of a synding of the G. N. W. Telegraph Co. of Candal Toronto.

pron nent representatives of the trade largely to the operations of a syndicate in Para rubber. These operations began on or about Jan. 19, and according to authoritative advices received here, the syndicate has already taken 2200 tons of the crude product of the market and is holding it in Brazil. While it has been impossible

out of the market and is holding it in Brazil. While it has been impossible to learn definitely the personnel of the syndicate, it is said that it is made up of practically the same men who operated extensively in coffee, and who are reported to have made \$35,000,000. So far it is understood that the

Continued From Page 1.

reported to have made \$35,000,000. So far it is understood that the operations of the syndicate have been financed by the Bank of Brazil. The syndicate is supposed to have a large amount of money at its command. While its buying will undoubtedly be an important factor in the crude market for a time, no one can predict to secure the consolidated debt. A Trusts Company? summons was issued returnable to police court to-morrow morning.

The charge of illegally taking the currency of the bank as a pledge against Messrs. Stratton, Warren and Morden was called and the two former were arraigned while Mr. Morden market for a time, no one can predict what the effect will be when the syndicate endeavors to dispose of its hold-Probably the largest gathering in the history of the Labor Temple will be held at that place next Wednesday, when the combined building trades will hold a mass faceting in that place for the purpose of discussing amalgamation and the wage scale for the coming season.

Morden was called and the two former were arraigned while Mr Morden mer were arraigned while Mr Morden was aid his worship.

The convicted manager took the stand and testified for only a couple of minutes.

CATTLE MARKETS Record of Prices and Sales on the

Leading Exchanges. MONTREAL Feb. 22.—At the Canadian Pacific Live Stock Market the offerings this morning were 1000 cattle, 200 sheep and lambs, 1320 hogs and 700 calves. There was no actual change in the condition of the market, prices being well maintained by drovers on account of the fact that the bulk of the stock came from Toronto, for which high prices were paid, consequently sellers could not accept lower bids and get out even. This tended to creck the demand some from butchers and in consequence trade was rather slow.

and in consequence trade was rather slow.

Choice steers, sold at 6½c, good at 6c to 6½c, fairly good at 5½c to 5¾c, fair at 5c to 5½c per lb. The demand for good fat cows was fair at 5c to 5½c, and the ecommoner ones brought from that down to 3½c per lb. A few good bulls sold at 5½c to 5½c, and the lower grades ranged from 3¾c to 5c per lb.

A weaker feeling developed in the market for hogs and prices declined 25c per cwt., which was attributed to the more liberal supplies and the fact that packers were not anxious for stock, having sufficient on hand for the balance of the week. Sales of selected lots were made at \$7.50 to \$7.75 per cwt., weighed off the cars.

Calves were more plentiful and cheaper with prices ranging from ¾ to \$12 each, to the state of the s

made at \$7.50 to \$7.75 per cwt., weighed off the cars.

Calves were more plentiful and cheaper with prices ranging from \$4 to \$12 each, as to size and quality. The trade in sheep and lambs was quiet and prices were urchanged, with the former selling at 4½c to 4½c, and the latter at 6½c to \$1.50 km.

At the Montreal Stock were respectively. The trade in the sheep and lambs was quiet and prices were urchanged, with the former selling at 4½c to 4½c, and the latter at 6½c to \$1.50 km.
