The chorus in "Jumping Jupiter," the new musical farce that Richard (himself) Carle will be seen in on Monday April 1, is the first of its kind, with the exception of the bevy of beauties now coverting in the other Lederer & Frazee sensation, "Madame Sherry." In "Jumping Jupiter" there are only ten girls, but they are the prettlest that could be placed under contract. They are also required to sing, dance and speak lines. In fact, they are not a chorus at all, but actresses, every one of them, as will be seen when this big variegated "fun" show is seen here at the Princess Theatre next week.

The bright particular offering at the Royal Alexandra next week will be Harry Bulger and his large company in a brand new musical departure, "The Flirting Princess." The sale of seats for this engagement opens Wednesday. A special Good Friday matinees will be given besides the usual matinees. This is the first presentation locally of this merry musical comedy, and its first visit to Canada, outside of Winnipes. Harry Bulger, Helen Darling, Dale Fuller, Heen Sheridan, Irwin Hardy, Walter Nichols and a large supporting company, containing what is claimed as the two-dozen Amedican beauties famous chorus, will all be welcomed.

## The Toppy, Tasty Toast

Food science has taught us that there is much body-building nutriment in the whole wheat grain which we do not get in white flour. The only question is how to make the whole wheat grain digestible. That problem has been solved in the making of

the shredded whole wheat wafer.

It is the whole wheat, steam-cooked shredded, compressed into a wafer, and baked—the maximum of nutriment in smallest bulk. Many people prefer it to ordinary bread toast. Heated in the oven to restore its crispness it is delicious for luncheon, or for any meal, with butter, potted cheese or marmalades.
