## Newest Styles in Dress Goods!

1

We have by far the easiest stock of Silks and Dress Goods to see wherever you go. One class and quality of goods at this counter, another at that, and lots of room for the different grades. The fixtures that carry and the counters that show this stock measure which we were glad to see discussed.

hundreds of feet. So many to look at, so many to pile on shelves already full, so many to tell of, and yet how impossible to tell of them all. The assortment is imperial in quantity and variety, but what types can illustrate the riches we show? We've room enough now to accommodate an army of Dress Goods buyers. And there's every reason why we should supply all Canada with Dress Goods. 一個限為1111.

We've an immense variety of new goods to choose from. Everybody knows that in this one feature we

easily surpass all the other stores. Where Dress Goods are in unusual variety is the place to go for them. We can't sell to our satisfaction from a dwarfed, dwindled stock. Every possible need must be anticipated. Every possible need HAS BEEN anticipated.
