SOLDIER'S MOTHER INDORSES M'COIG AS BEST CANDIDATE

CHATHAM, Dec. 1.—Archie Mc-Coig's big committee rooms were not large enough to accommodate the crowds which sought admission at two fine meetings this afternoon and evening. The greatest enthusasm prevailed at both. The afternoon meeting was for the women of the riding and fine addresses were given by Mrs. M. N. Stokes and Mrs. Meade, the district president of the Women's Institute. Mrs. Stokes had one son killed in France, and another, who is only 18, has been awarded the military medal. She urged her hearers to consider not only the question of reinforcements, but of providing for the dependents of the soldiers and for the boys themselves in the future. Both she and Mrs. Meade strongly indorsed Mr. McCoig's candidacy. Mr. McCoig gave a splendid address, in which he outlined his position. The British official statement of aerical operations issued Saturday night reads:

"Yesterday there were clouds at a height of 2,000 feet all day, but our alriplanes were out continuously, cooperating with the other arms in counter-attacks against the enemy southwest of Cambrai. Our machines, in addition to registering our guns, located and reported over two hundred hostile batteries.

"The bombing machines concentrated their efforts on troops and transport coilected in villages in the rear of the battle, dropping over two hundred bombs. The enemy's troops and transport moving on the roads behind the fighting line also offered good targets to our scout patrols, who fired over 15.000 rounds at them from their machine guns.

Tenacity Will Win War, Declares Lloyd George

PARIS, Dec. 2.—Via Reuter's Ottawa Agency.—Premier Lloyd George, interviewed by the Petit Parisien, stated:
"The moment is very serious. The moment is very serious. Everything must give way before the importance of our object. We have the men, the munitions, the economic and financial resources, and the feeling that we are fighting for the right. Let us strain every nerve now to make unity of direction and control into realities. If we do not waste time and are resolved to win the war, we shall do so. We must have the will, the patience, the endurance and the tenacity. Then we shall conquer." Then we shall conquer.'
