before submitting it to the people. James Gray asserts that nothing short of the \$195,000 should be asked. Edwin Smith has suggested that some of the property which the board owns and is not using could be sold, and the receipts used to build some of the new schools. That this would not be done is the statement of other members of the loard. Any receipts from property sold must be used to reduce the debenture lebts of the existing schools, it is delared.

While Chairman J. S. Barnard is uncertain regarding calling a special meeting, some of the members of the board think one should be called as soon as possible in order that some plan night be formulated. That the board will let the question rest until nextlanuary is doubted by the majority of the members.
