CROP REPORTS FROM WEST
RAIN IS NEEDED BADLY

Some Damage by Hail—Lates Information From All Parts of the Country.

WINNIPEG, Aug. 7.—(Special.)—The crop report issued by the C.P.R. to-day indicates that while the crop is making excellent progress, many districts are badly in need of rain.

The crop is maturing too rapidly to give a high grade. In many districts, too, hail is reported, so it does not appear that any of the areas damaged are extensive.

On the Brandon and Varcos sections cutting will begin by the first of next week. Rain is needed for late grain. On the Emerson, Teulon, Minnedosa, and Souris sections, conditions are favorable, except for shortage of rain. On the Laramie section, 30 per cent. of the crop is reported cut in the Morden district, with practically all of the grain ready for the machines. On Broadview, Pheasant Hills, Rapid City, Yorkton, Minnola, Lenore, Nipinka, Lyleton, Mowbray and Reston sections there is no comment beyond the statement that they could do with few showers.

On the last mountain section slight frosts are reported at Lemberg, while on the Arcola branch hail is reported from Arcola and Carlyle. At McLean on Moosejaw section and at Milestone, Macoun and Estevan on Estevan section considerable hail is reported, as is also the case at Filmore, Howard, Forget and Kisby on Moose Mountain section.

The Edmonton section reports all fair, while Wetaskiwin section reports slight hailstorms at Sedgewick and Hardisty.

In the winter wheat belt a slight frost is reported from several points on the Macleod section.

VETERAN CUTS THROAT.

BRANTFORD, Aug. 7.—(Special.)—James Richards, a veteran of the Civil War, made an attempt to end his life here to-day by cutting his throat with a razor. Richards has been despondent for some time on account of being without work. He was a painter by trade and resides with his family on Richardson-street. The deed was committed at noon hour, while the family were eating.

Free Receipt For Weak Men

Gentlemen Will Send It Confidentially. Free and Sealed, to Every Weak and Unable Man Who Writes for It.

TRADE MARK.

I have in my possession a prescription for nervous debility, lack of vigor, weak manhood, falling memory and lame back, brought on by excesses, unnatural drains or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription, free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physician, who has made a special study of men and I am convinced it is the surest acting combination for the cure of deficient manhood and vigor—failure ever put together. I think I owe it to my fellow men to send them a copy in confidence, so that any man, anywhere, who is weak and discouraged with repeated failures may stop struggling with harmful patent medicines, secure what, I believe, is the quickest acting, restorative, unobtrusive, and, as cure himself at home, and quickly. Just drop me a line like this: Mr. A. E. Robinson, 333 Luck Bldg., Detroit, Mich., and I will send you a copy of this splendid receipt, in a plain, ordinary sealed envelope, free of charge.

WEST TORONTO LAD MEETS INSTANT DEATH

Is Shot by Companion—Coroner Holds Preliminary Inquest—Suburban News.

WEST TORONTO, Aug. 7.—A sad accident attended with fatal results occurred in the west end of this city shortly before 11 o'clock this morning. While playing with an old muzzle-loading shotgun an eight-year-old boy named Fred Gracy, son of William Gracy, 201 Maria-street, accidentally discharged the weapon and blew the scalp of his little playmate, Howard Sharpe, aged 2 years and 7 months, son of Charles Sharpe, 199 Maria-street, right guard at the Central Prison. Mr. Sharpe was left lying on the ground, bleeding from the head, and was taken to the hospital, where he died shortly after 1 o'clock. The boy who shot him was taken into custody by the police, but was shortly afterwards allowed to stay with his father. In the police court to-day Clyde Fitzsimmons and Earl Golding, charged with breaking into the Marlboro dry-goods store on Dundas-street some few days ago, were allowed to go on suspended sentence.

A petition is being circulated among the ratepayers and the city's account books audited. R. G. Agnew has resumed his law practice after spending a holiday in his recent illness.

BALMY BEACH.

Real Estate Values in East End Are Firm.

BALMY BEACH, Aug. 8.—The formal induction to the pastorate of Rev. Dr. G. H. McMillan will take place on Friday evening, Aug. 21, at 8 p.m. The occasion Rev. Dr. G. H. McMillan will be assisted by Rev. Dr. Parsons will address the minister, and Rev. Alex. McGilveray, of Bonar Presbyterian Church the people.

Real estate in the eastern suburb, while showing no particular activity at present, is showing a firm, and where transfers have recently been made it is always at a substantial advance.

The building trade is moderately active, but among the houses are erecting residences in Morris field, which is putting up several on Leuty-avenue. Five beautiful houses are in course of erection on Highbury-avenue, one on Wheeler, another on Fernwood Park-avenue, and several on Balsam and Oak-avenues. The latter is fast becoming one of the most residential streets in the eastern end of the city.

The sale of a magnificent lot with a depth of 500 feet and frontage of 100 on Balsam-avenue at the head of the street at \$30 a foot is a good indication of the value of land in that district.

But to report the sale of 200 feet on McLean-avenue at a price which is not given, but the present owner declines to consider \$20 a foot.

He has his hand to say the Ontario avenue just north of Fine-avenue has been sold at \$18 a foot.

NEW POSTOFFICE.

A new postoffice called Ortole has been erected at Sunning Hill, in East York Township, 2 1/2 miles east of Lansing (on Yonge-street). George Summers has been appointed postmaster. Mr. George Henry, receiver of the township, is one of the leading patrons of the new office.

Beacon Light Tent.

Only two more Sundays at the tent, corner College and Manning, before the big S. D. A. camp meeting at Dufferin Park. The evangelist speaking Sunday afternoon on the subject of "Church Federation." The probable results of a union of all Christian denominations with the Catholic Church in America, has been seen for honest Bible Christians than for the Turk to be expelled from Europe, the two go hand in hand.

A witness born in 1788 A.D. will speak to the people Sunday night at 8 o'clock on the Sabbath question, gift of tongues, etc. The speaker holds that the present so-called pentecostal movement is widely diffused in Toronto is of the devil, and undertakes to prove it so by the Bible. "Many preachers," he says, "in this city and elsewhere, as

well as people are 'being deceived.' The talk will be of intense interest and instructive to all. A large crowd is expected to both services last Sunday and nearly every one present in the evening raised his hand to say the evangelist had told them the truth.

You Save Great Big Amounts

THE August Furniture Sale is not a sale of small savings. You

save good full sized dollars on a single purchase. Perhaps

when you are buying a set of chairs or a brass bed,

seven or eight dollars more or less doesn't seem very

much difference considered with the substantial figures of

eight cents means—not dollars—cents—in the purchase

of a staple commodity like sugar! Seven or eight dol-

lars is worth saving if you can get the chance, just as it

is worth earning.

Why not buy Furniture at August prices? Every piece of furniture

in our furniture department? Every piece of furniture with a yellow tag display in
