ATTACK ON REDUCTION BYLAW

J. B. Mackenzie Has Prepared His Basis for Action. Another assault is to be made on the validity of the Toronto license reduction bylaw by Lawyer J. B. Mackenzie. The petitioners will be William Robertson, but he is not particularly interested in the outcome. Mr. Mackenzie will base his action for a quashing of the bylaw on the following points: "By reason of the city's adopting and ratifying the resolution of the former Town of East Toronto, praying for annexation, one term of which was that there should be no reduction in ward one of said town, the uncontrolled discretion given by the Liquor License Act to the board of license commissioners for the city becomes unlawfully and improperly hampered in respect of the field over which the process of reduction might extend or be carried on, and this to the prejudice of possible applicants for licenses from the original authority."

To Suffer From Headaches Makes Life Miserable.

It takes a person that has had or is subject to headaches to describe the suffering which attends them. The majority of cases are caused by constipation and dyspepsia. The dull throbbings, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on, purely indicates that there is something the matter with the stomach or bowels. To the fact that Burdock Blood Bitters success every part of the system is due its success in relieving and permanently curing headache. It has proven a specific for the malady in all its forms.
