APPLIED TO WIND UP THE HARRY W. DEFOREST CO., LTD

Toronto Company Claims \$64,000 Owing - Application is Opposed and There is Some Cross-firing

Before Mr. Justice McKeown in the King's Bench division this morning, H. H. McLean, K. C. for the British and American Direct Tea Trading Co. of Toronto, applied to wind up the Harry W. deForest Co., Limited, of this city.

Mr. DeForest, E. T. Sturdee, one of the inspectors, and also representing creditors aggregating \$25,000; A. P. Barnhill, K. C., for the Union Bank of Halifax, \$38,000; and another creditor; and A. A. Wilson, K. C., representing creditors for \$2,300, opposed the application.

When His Honor called the court to order at 11 o'clock Mr. McLean read the petition of the applicant in which they claim that the deForest Company owes them more than \$64,000. They said that the affairs of the company be investigated and for that purpose a provisional liquidator be appointed.

PLAYGROUNDS AS MEMORIAL OF THE KING

Suggestion Meets With Favor—One Interested Points Out Reasons in Favor of the Proposal

The idea of having park or playgrounds as a memorial to King Edward, as referred to in Saturday's Times-Star, has brought forth a number of good suggestions from one interested in the matter. "It would be a good idea to have a good-sized plot of ground set aside for public playgrounds in memory of the King," he said, "and I think it would be well to suggest to have an official opening take place on such a day as Coronation Day, or Dominion Day, the former preferred. The late Majesty was a great lover of children, and of athletics, and the idea of having playgrounds for the little ones of all classes would be a fitting tribute to his memory."

ECHO OF THE METROPOLITAN HOTEL CASE

Bessie Ferris Leaves Rescue Home by Way of Window and is Arrested - Judge's Lesson in Case of Wm. Magee

Six men and a young girl faced Judge Ritchie in the police court this morning. The men charged with drunkenness and the girl with running away from the Salvation Army rescue home. Fines of 88 cents were handed down to James Connors, Daniel Mahoney and John Connors, while Frank Hopper, Albert Murray and William Magee were remanded, each charged with drunkenness.

In the case of Magee, Policeman Crawford gave evidence that he had been called to Cradle Hill on Saturday night, being told that a man was dead in a ditch there. He found Magee lying in a drunken state, and thought at first he was dead. The man was taken to the North End police station.

His Honor remarked that the police should endeavor to locate those who sold Magee the liquor, as they were to blame for his condition. No false sympathy should be shown by the police. Instead of having been brought to the police court, Magee might have been summoned to the great court before the Judge of mankind, and he surely must know what the Bible says of drunkards.

Three prisoners who were arrested some time ago, and remanded, William Mahoney, Edward Hazelwood, and Murray Alexander were dealt with. Mahoney, a seven year old child, charged with stealing from the Boys' Industrial Home, was further remanded. He will be given a preliminary hearing. The substance at the Croucheville institution, it is said, do not want him there.

Edward Hazelwood, on a charge of breaking and entering R. H. Paxon's store in Carleton and stealing from it, was committed for trial.

A NEW STORY

The Furnace of Gold; Opening Chapters in the Times-Star Wednesday

A new serial story of absorbing interest, as its name indicates, will be begun in the Times-Star on Wednesday. It is well told and will be found to grip the attention at the outset and hold it to the close. Be sure to read the opening installment after that there will be no need to call further attention to it; the story will command itself.

Judgment will be given tomorrow afternoon at 2 o'clock in the case of Albert McIntyre, charged with assault on Policeman Lucas in the discharge of his duties. Harry Halsey gave evidence this morning that he was in Charlotte street at the time the assault is alleged to have taken place, and he did not see anybody else, Lucas or interloper with him. D. Mullin, K. C., appeared for McIntyre.

As far as could be learned today, what looked like a fire serious nature in the vicinity of Silver Falls was brush burning. It seems that the blaze was on a hill on the west side of Little River and being on an elevation looked worse than it really was.
