

IN MEMORIAM WON IN TURF CLASSIC

Jockey Garner Given Check For \$10,000 For Beating Zev and My Own

Latoria, Ky., Nov. 4.—A Kentucky-bred and owned horse, with a Kentucky boy in the saddle, caused the greatest surprise that has climaxed a turf spectacle in years when in Memorial won the \$10,000 Latoria championship stakes Saturday before a crowd of 45,000 spectators. The victory of the bay son of McGee-Enchantress, owned by Carl Wiedemann, millionaire horseman of Newport, Ky., was convincing.

Sprinting into the stretch, in Memorial conquered Zev, the conqueror of Papyrus and winner of the Kentucky Derby, raced him into submission and finished across the wire a winner by at least six lengths. Back of the flashing heels of Zev came Rear Admiral Cury T. Grayson's My Own, trailing eight lengths back. Rialto, the fourth starter in the race, was distanced in the stretch and pulled up without even trying to catch the flying leaders. The race, a grueling test of one and three-quarter miles, was run in 3 minutes and 45 seconds.

Jockey Mack Garner, who rode in Memorial to victory Saturday, holds the distinction of riding Rockmaster when that three-year-old established the track record.

Harry F. Sinclair, owner of Zev, evidently was convinced that Zev could not be beaten because he plunged \$25,000 in the pari-mutuel machines before the race. Sinclair first wagered \$25,000. Then he dumped \$20,000 more. As the hour for the start drew near, he wagered an additional \$9,000 and finally threw \$4,000 more on Zev's chances to win.

Because Zev and My Own were such overwhelming favorites, a \$2 ticket in the pari-mutuel on In Memoriam paid the liberal price of \$23.40 to win. The price on Zev was forty cents to a dollar, while the figure on My Own was \$3.75 to \$1. The odds on Rialto were \$14.50 to \$1.

The spectacle aside from the three minutes of stirring struggle was the most brilliant in the history of the classic race. The crowd at the finish cheered wildly as Jockey Garner, his boyish face alight, was lifted to the platform in front of the stand and took his place with Owner Wiedemann while James M. Cox, former Governor of Ohio, made the presentation speech in presenting Wiedemann with a gold cup valued at \$5,000. Wiedemann, who won \$30,000 in cash as first prize for In Memoriam's triumph, presented the boyish looking Garner with a check for \$10,000 as a reward for his victory.

FAIRVILLE WANDERERS WON

The Wanderers from Fairville notched their second victory since organizing when they defeated the Orioles on the Shamrock grounds, 23 to 0. Touchdowns were made by Gary (32), Miller (2), Hayes, G. Reid and T. Reid.

A 50-yard dash for boys up to sixteen years is on the card. This meet promises to be one of the best ever held here with prominent athletes from all parts of the Maritimes competing.

Walters Sends Regrets

Halifax, Nov. 4.—H. R. Silvers, chairman of the Board of Trustees of the International Fishermen's Trophy, received the following message from Captain Angus Walters of the schooner Bluenose on Saturday evening:

"On reflection, I regret the effects of my action. I was under great strain. I am a fisherman, not a sportsman. I acted hurriedly and did not realize that other people were so largely interested."

Chairman Silvers, after consulting with members of the board of trustees, made the following statement this evening:

"As the international committee for the 1923 series has disbanded, there will be no more races."

Last evening, Captain Walters was communicated with by telephone in reference to the decision of the trustees, and said it was agreeable to him.

QUEENS CAPTURES COLLEGE GONFALON

Kingston, Ont., Nov. 4.—Queens won the C. I. R. F. U. championship for the second year in succession when they defeated Varsity yesterday afternoon by 18 to 5 before 8,000 people. The Queens line held like a stone wall at all times, and Varsity that other to a kicking game to get their points. The Queens line plungers were in their element and time after time tore the Varsity line to pieces. Pep Leadley again was one of the stars of the game, his kicking and running being sensational. Warren Snyder was the best man on the Varsity lineup, his work being spectacular.

Ottawa, Nov. 4.—Ottawa suffered a 9 to 6 defeat at the hands of the M. A. A. A. rugby team here yesterday afternoon. A touchdown by Glickman off Harding's fumble in the third period gave the visitors the verdict. The game was enlivened in the opening period by a merry mixup in which players of both teams took part.

FREDERICTON HIGH WON SCHOOL TITLE

Capitals Repeat 1922 Win by Defeating St. John on Saturday, 17 to 0

(Canadian Press Despatch)

Fredericton, N. B., Nov. 4.—Fredericton High won the New Brunswick interscholastic rugby league championship on Saturday when it defeated the St. John High School team, 17 to 0 in the final game of the schedule, before one of the largest crowds that ever watched an interscholastic athletic contest here.

All the scoring in Saturday's game was done in the first period when Fredericton High jammed over five tries with their scrum controlling the ball and getting it out to the back division who opened up an aggressive attack with accurate passing and running. McCordick, Steen, McCurdy, Hudson and Babbitt were the players who went over the St. John line for the five tries. Babbitt converted but one, the fourth, which was scored by Hudson.

Fredericton had all the advantage of the territory play in the opening of the second half, too, but in the closing minutes St. John High made vigorous attempts to score and for a time it looked as if the Fredericton defence was commencing to give away. Once the ball was carried over Fredericton's line, but Referee Gregory Bridges, the U. N. B. coach, called it a safety, inasmuch as Hewitt was on the ball at the bottom of the pile of players of both teams. Frequent free kicks were awarded Fredericton in the last portion of the closing half by Referee Bridges, when he became aware that the visitors were not playing the "up-and-over" game properly, but were holding and batting the ball back with their hands. Case, Fritz and Humphrey were the players who figured principally in St. John's gains in the second period.

The teams lined up as follows: St. John High—Fullback, Mowrey; halves, Humphrey, Wittern, Rice and Brown; quarters, Fritz (Capt.), Bodley, Case; forwards, Hevenor, Nelson, Ewing, Baxter, Linton, Corbett and

In the last quarter—score tied—everyone "on their toes"—each man on both teams training for an advantage, and using his last ounce of energy toward one purpose—to "bulge" the net and score the winning "counter."

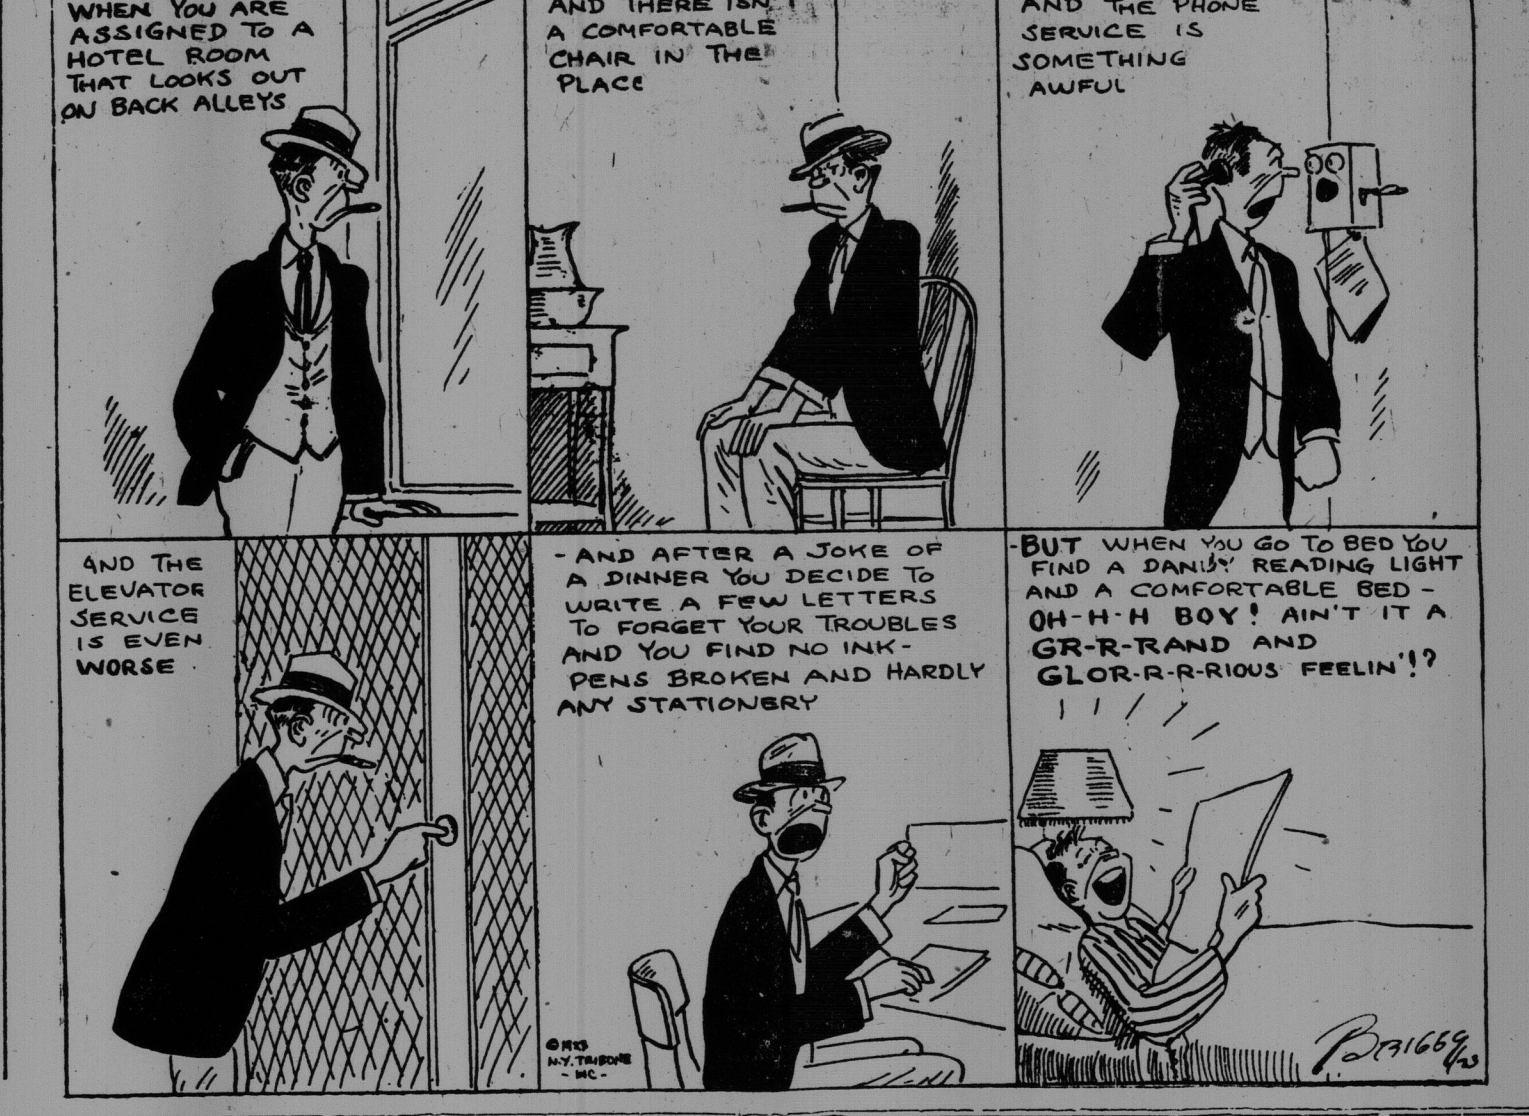

That's when the skate blade counts—it must have just the right "edge" that it has early in the game—it must grip the hard ice sufficiently to give you the speed advantage over your opponent.

In moments like this the skates are all important—games have been won or lost on the efficiency or inefficiency of a single player's skates.

That's why, year after year, hockey players, whose names are almost household words, stick to STARR Skates with their correctly tempered blades—the blades that hold their "edge" long after ordinary skates are dull.
