MORNING NEWS

OVER THE WIRES
Opinion in Ottawa during the last few days has veered to December 5 as the date of the coming Dominion election and there is even talk that the date may be a week later. Hon. C. C. Ballantyne's statement in Montreal, when he said it would be "some months" before an election is held is causing considerable debate at the capital. To the surprise of his London friends the wealthy Sir Ernest Cassel died a

Roman Catholic, as he left instructions that his funeral take place at the Jesuit Church, Mount street, Mayfair, where Father Bernard Vaughan is stationed, and that he be buried in the Catholic section of Kensal Green cemetery. He never admitted he was a Jew and was, as far as is known, never associated with any religious communion.

With a bullet wound in his face, thought to have been inflicted by an occupant of a run-down car, Wendell Slipp, formerly of St. John, was driven back to Woodstock last evening by a young woman friend with whom he had been driving in the Plymouth road, just outside of Woodstock. When he reached the town Slipp was unconscious and was taken to the hospital. It is not thought that his injury will prove fatal. It is supposed that the party who shot at Slipp thought his car contained officers. No arrests have been made in the case. The car bore a Maine license tag.

SUFFERS LONG FROM BITE.

Farmer Poisoned by Insect 27 Years Ago Still Feels Effects.

Middleton, N. Y., Sept. 28.—Bitten on the neck by a poisonous insect twenty-seven years ago, Henry Graff, a well-known farmer near Jeffersonville, Sullivan County, is again suffering severely from the effects of the bite due to a wasting of the tissues of hands, face and neck.

It was necessary to amputate the thumb of one of Graff's hands and the little finger of the other hand four years ago. Physicians say the poison germs still remain in his system, reappearing at intervals of several years, when he suffers excruciating pain for weeks.

ORPHANAGE FAIR

DAILY NEWSLETTER

St. John, N. B., Sept. 28, 1921.
To the Protestants of N. B.:

Greetings:—

The campaign is beginning to open up. Several members of our committee visited St. Martins on Monday evening, where a public appeal was made in interest of the orphanage work; later a visit was made to one of the local lodges, where a further appeal was put forth. A number of season tickets were left for sale with one of the leading merchants, Mr. Reuben McLeod. There were also a number of visitors from Great Salmon river, among them Mr. Robert Crossman, who kindly consented to sell tickets at that place. We look for a lot of personal contributions from these places. What wide-awake community shall we hear from next? Do not wait for a visit from the committee; get busy at once—one good volunteer is worth a dozen pressed men. Those willing to assist drop us a line at once. Donations of any kind will be welcomed.

Season tickets at \$1 each, six for \$5; good for admission, also chance to win an automobile (1922 Chevrolet), or a sleigh. Buy one or more books and resell. A splendid means of contributing to a worthy cause at no expense.

Meeting of executive, advertising and solicitation committees at 7.30. General committee at 8 p.m. tonight.

Secretary,

RELIGION IN EVERY DAY WORK

Address by Rev. C. W. Gordon—Liquor Supplanting Drug in China.

Hamilton, Ont., Sept. 28.—Rev. C. W. Gordon (Ralph Connor) moderator of the General Assembly of the Presbyterian Church of Canada in a speech last night declared that the work of the Lord and church work were different things. The church must find a way to close the chasm between the one religious day and the six days which are spent in ordinary work. The church should bring religion into every day

work to such an extent that the chasm would close. He regretted that men were inclined to allow their wives to attend to the work of the church.

Rev. Murdoch MacKenzie, moderator of the assembly in 1915, a Roman Missionary said that China had scarcely torn itself from thralldom of the vicious opium traffic when a new and sinister curse, in the form of Canadian and American whiskey, fell on that people, and was continuing with alarming progress, to sap the moral fibre of thousands of them.
