**POLICE COURT.**  
The case against two milk dealers, Messrs. Jeffries and Tobias, for selling milk below the standard required by the board of health, was resumed yesterday afternoon in the police court and stood over until next Wednesday at 9 o'clock. J. Roy Campbell, K. C., appeared for the board of health.  
J. M. Queen was charged with exceeding the speed limit in Main street on Oct. 25 and pleaded not guilty to the charge. E. J. Toaban, a street car motorman, testified that the automobile passed his car going about twenty-five miles an hour. He saw it strike a man and knock him down. He got out of his car and picked the man up. John Cunningham, the conductor of the car, also gave evidence. Police Constable Gibbs told of seeing Tillotson, the man who was struck, in Worden's butcher shop and said his left arm was skinned and right hand hurt. W. B. Wallace, K. C., appeared for the defence. The case was adjourned until next Monday at 11 a. m.

R. H. McIntyre yesterday received a telegram from Rev. R. H. W. Pinkett, former pastor of St. Philip's A. M. E. church, this city, saying that he had recovered his health and would probably arrive in St. John today. He is coming here only for a visit as he now has a church in Michigan.

## Better Homes Furnished

Mean greater happiness. Beautiful furniture brings an atmosphere of cheerfulness and brightness into every room. If your home is poorly furnished you may not notice it, but other people—neighbors and callers—have noticed the old shabby furnishings, and have perhaps drawn wrong conclusions. They have thought the owners couldn't afford anything better. No one wants such wrong impressions carried away from his or her home.

Let us show you our large stock of fashionable furniture in the latest styles.
