It was said at the Atlantic Sugar Refineries this morning that no demand had yet been received from the employees for an increase in wages. A published report a few days ago was that at a meeting of the employees it had been decided to ask for a higher rate of pay.

POLICE SPORTS.
A splendid array of prizes, about \$400 worth, have been donated to the Police Protective Association for their ice sports in the Victoria rink. There are several nice ladies' prizes offered and it is the desire of the association to have many competitors for the ladies' events. There will be a special ladies' race which promises to be exciting.

FOR T. EATON CO.
In a special car attached to the Montreal train this morning members of the executive staff of the T. Eaton Company, Toronto, passed through the city on their way to Moncton. They will be employed in the new building which has been erected by the company there.

MEETINGS POSTPONED.
Two special committee meetings of the common council scheduled for today were called off as the estimates of the different departments were not ready for the meetings. It is expected that these matters will be dealt with a meeting called for tomorrow morning at 11 o'clock.

DISCUSSED WAGES.
The mayor and city commissioners were in consultation today in the mayor's office on the subject of salaries and wages. The meeting was not thrown open to press representatives. One of the commissioners said after the session that the meeting took the form of an informal discussion only.

HEALTH MATTERS.

He will present to the council the plans for the board of health for the present year in that county. Dr. Warwick is chairman of the boards in Queens, Kings and Albert counties.

TO MARRY IN ENGLAND.
Lady Dorothy Cavendish, daughter of the Governor-General and the Duchess of Devonshire, Captain H. MacMillan of the vice royal staff at Ottawa, and Miss Egerton were expected in the city today on the Montreal train delayed by the storm for a couple of hours. They will sail on the S. Empress of France for England, where Lady Dorothy and Captain MacMillan are soon to be married.

BURIED TODAY.
The funeral of Mrs. Mary J. Murphy took place this morning from her residence, Smythe street, to the Cathedral, where solemn requiem high mass was celebrated by Rev. Simon Oram, with Rev. A. P. WHAT OF STREET CAR CROWDING?

What has become of the order which was to have been passed about the crowding of street cars, was asked a Times reporter this morning. It is about two months now, and the citizen who asked the question, since the first mention of the matter was made by one of the city commissioners and everybody expected that it would be followed up. "The cars seem just as crowded as ever," he went on, "the ventilation is just as perfect, though during the recent cold spell it seemed too perfect, especially when both doors of the cars were opened. Strap-hanging still seems to be popular, especially at the rush hours, and in the lottery for seats at these times quite a few are not even lucky enough to draw straps, let alone seats—they just hold on to the fellow in front or behind them."

JUVENILE COURT

The Social Service Council of the Church of England, at a meeting held in the institute yesterday, adopted a very strong resolution in favor of a juvenile court. Very strong expressions in its favor were given by various speakers.

The next step in regard to the juvenile court will be, it is said by those concerned, to endeavor to remove from the minds of the members of the Trades and Labor Council the impression that it is class legislation aimed at the families of workmen, or that in its administration any rights will be invaded. The measure of support given to the measure at the municipal council yesterday is regarded as an assurance that a fuller discussion of the whole subject will gain the sympathy and support of all.

THE COLDEST EVER.
A Charlottetown correspondent writes:—The winter is the severest we have experienced so far in the memory of the proverbial oldest inhabitant, and shipping has suffered considerably.

MORE THAN FOOT OF SNOW IN RECORD STORM OF SEASON

More snow fell during the storm last night and this morning than during the whole of January last year. The storm broke at 10.50 o'clock last night and continued until noon today, although it had greatly diminished. During that time twelve and three-quarter inches of snow fell.

During January last year eleven and six-tenths inches of snow fell. The storm was also the heaviest of the season. Fortunately there was little or no wind blowing and the snow did not drift to any extent.

The snow worked havoc today with the trains and schedules, causing all the incoming trains to be late. The early train from Montreal, due at 6.45 a. m., was four hours late. The Maritime was an hour late, the second Montreal two hours and the Boston two hours and a half behind time. Quite a number of passengers missed connection east through the delay.

COREY CASE IS DISMISSED

The case against Louis Corey, charged with misappropriating \$800 the property of Sidney Kerr and others, was taken up this morning in the police court. Sidney Kerr was recalled and identified a check produced. This check was dated January, 1918, while the information was laid for the alleged misappropriation of money in January, 1919. The accused was indicted to the firm, the witness said, and it was reported that he was going to the United States, so thinking that they might get the money before he left the country, he, the witness, communicated with the immigration authorities, telling them that the accused was an undesirable and should not be allowed in the United States. He told the court that Mr. Corey collected most of the money.

The magistrate, after considering the evidence, remarked that he wanted it distinctly understood that there was no evidence to support the charge against the accused and there were no grounds for their action that he could see. The case was dismissed. Scott E. Morrell appeared for the prosecution while W. M. Ryan acted for the defence.

One man, charged with drunkenness, pleaded guilty and was remanded to jail.

Ottawa, Jan. 20—(By Canadian Press.)—At the close of this afternoon's meeting of the cabinet council, Hon. C. J. Doherty, minister of justice, said that any report as to a settlement with Sir Charles Ross for \$2,000,000 in his claim against the government "was a bit premature" at least.
