NAZIMOVA'S RISE IS UNPARALLELED

Famous Star, Who Appears at Imperial Theatre, Has Had Career of Unbroken Successes

Alla Nazimova, who will be seen in "Eye for Eye" at the Imperial theatre on Wednesday and Thursday has become the supreme screen star of the day. Born in Taltia, a little Crimean town on the shores of the Black Sea, she was taken to Geneva when a child. While there she showed a remarkable aptitude for music and became a violinist of distinction at the age of twelve. She gave up music as a profession, however, and devoted herself to the study of dramatic art. Immediately upon graduation she became leading woman with a stock company in Kirovna, Russia, and played over two hundred parts during her first season. Soon after this she moved to Petrograd where she appeared in the leading theatres in all prominent roles including "Zaza," "Camille," "Magda," "Hedda Gabler," "Trilby," and "The Second Mrs. Tanqueray." She attempted to make a production of "The Chosen People," a revolutionary play, but was stopped by the Russian censors.

Nazimova's career on this continent has been a series of continuous and tremendous successes which have placed her at the top of the ladder of dramatic and screen fame.

Since "War Brides," all her appearances on the motion picture curtain have

LIBERAL CRITIC ON BUDGET THIS AFTERNOON

Amendment Likely to Be Proposed—Division by Thursday Night

Ottawa, June 9.—It was said at Liberal headquarters this morning that A. R. McMaster, chief opposition financial critic, will close his speech on Sir Thomas White's budget this afternoon with an amendment. The nature of it is not disclosed, but it is regarded as likely that it will follow the line of the Liberal tariff resolution moved early in the session.

This proposal goes further in the direction of free trade than the budget proposals making provision for free foodstuffs and free agricultural implements. While it is practically certain that some from the other side of the Great Lakes will give the support to the McMaster amendment there is much difference of opinion as to how numerous this group will be.

There is talk of a sub-amendment by the grain growers which would conform to the tariff policy of the Canadian cabinet of agriculture, but it is said that such an amendment cannot be made to the motion to go into supply.

An effort may be made to have the division taken on Thursday night.

COL. BROWN AT ROTARY CLUB

Col. W. L. Brown of the 26th Battalion was the guest of the Rotary Club at today's luncheon and gave a stirring account of his experiences and those of his battalion overseas. He was given a great reception. E. Clinton Brown presided and there was a large attendance of members. Col. Brown carried his heaviest baggage. He told of the king's praise of the Canadians in conversation with him on the morning after Paschendaele, passing reference to the Prince of Wales he said the soldiers of Canada would give him a great reception when he visits this country. Col. Brown in conclusion said he could not believe Canada would permit any of the victors in the greatest battles in the war go about the country in a vain search for work. The speaker received three hearty cheers from the club.

MAGAZINE FOR CLERKS

A new magazine has joined the ranks of those published in St. John, the latest venture being "The Clerk," published and edited by P. H. Butler. It is published in the interests of and for the benefit of clerks of all classes and the first issue has a promising bill of contents. The magazine is well arranged and attractively printed and has secured substantial support from the merchants in the form of advertising. There is a wide field with little competition for such a magazine and the standard set by the first number promises well for its future success.

ATTEMPTED BURGLARY

A determined attempt to break into a clothing store in Union street was made last week. Access was gained from the rear, and the glass in the door was broken. On the inner side the opening was protected with iron bars, and the burglars had patiently sawed through one of the bars and had started on the second cut. Apparently they had been frightened away, as they were on the verge of success.

SONS OF S. D. SCOTT IN THE GREAT WAR

(Mount Allison Record)

At the opening of the war, Cecil Scott son of S. D. Scott, LL.D., of Vancouver, was engaged in newspaper work in Montreal. He enlisted at once and was one of the first contingents to go over to Valcartier. He has come through the long service unharmed and has reached the rank of Captain. Since the Armistice he went during a leave of absence from Brussels for a trip along the Rhine, visiting Cologne, Bonn, Coblenz, Mayence and Wiesbaden. On the return trip he fell in with the captain of one of the English patrol boats who took him down the river to Cologne.

Sydney Scott, the twin brother of Cecil, was also through a large part of the war, and remained cheerfully a private. He has lately been visiting Marquette, N. B., where he and his brother, Northern Italy.

Two other brothers, who were never Mount Allison students, were in the war. One, Gordon, now at home, was badly wounded. He is this year completing his course at the University of British Columbia. The fourth, Morley, is a lieutenant. He was in his second year at the University and was studying his studies at an English or Scottish University. The Scott family has had a brilliant war record.

MASKED ROBBERS IN MONTREAL BEAT A WOMAN, STEAL \$2,500

Montreal, June 9.—Drugged, beaten and robbed by an armed gang of masked robbers at four o'clock this morning, was the life of Mrs. Margo, a summer resident of 2888 Gouin Boulevard.

The caretaker of the house was beaten and drugged and tied to a bed. The mistress, had her left eye kicked out by one of the desperadoes, but the animal's noise sent the gang racing away in a high powered automobile with \$500 in cash and \$2,000 in jewellery.

CORN AND OATS

Chicago, June 9.—Owing more or less to absence of any large stock on hand, the delivery of corn showed strength today, but later months were bearishly affected by good weather. Changes, however, were within narrow limits. The 200,000 bushel limit on trading tended to prevent wide fluctuations. Opening prices, which ranged from 1-3/4 off to 1-5/8 cent advance, with July \$1.68-1/4 to \$1.69-1/8 and September \$1.60-1/4 to \$1.61-1/4, were followed by moderate general setbacks, but then by a decided up-turn in July.

Oats were easier, influenced by lack of demand from the seaboard. After opening unchanged to 5-8 cent down, including July at 67 to 67-1/4, the market rallied a little and then sagged again.

Higher quotations on hogs gave firmness to provisions. Business, however, was dull.
