FRANCE TO TREAT WITH GENEROUS HAND NOBLE CITIES OF WAR

Paris, July 28.—(By the Associated
Press)—Premier Clemenceau spent Sun-
day touring the devastated regions of
the Somme. At Amiens the crowd broke
the lines and swept the premier along
to the city hall, where the mayor enu-
merated the wants of the city. M. Clem-
enceau, his voice broken with emotion,
recalled the events of a year ago.

"At Abbeville," the premier said, "we
asked ourselves ought we arrest the
march on Paris or prevent the Germans
from getting to the sea. Both viewpoints
were defended by men of equal ability."

"A great Allied chief said to me one
day: 'If Paris falls what shall we do?'
I answered, 'If Paris falls, France
will raise from its ruins Paris. France
has helped to make France. And what
I said of Paris I say also of all the noble
cities of France which, like Amiens, were
in the battle. You ask me 'what are you
going to do for us?' I reply, 'everything.'

MORNING NEWS OVER THE WIRES

Mathias Erbsberger, German vice-pre-
mier and minister of finance, in a de-
claration on Saturday said that the de-
feat of Germany was due to political
and military madness. The leaders of
the nation, he said, had rejected a peace
offer from Britain and France in Aug-
ust, 1917, made through the Vatican.
His word is corroborated by Chancellor
Michaelis.

The Prince of Wales had been ap-
pointed colonel-in-chief of the Prince of
Wales Leinster Regiment (Royal Cana-
dian). It gets the Canadian title be-
cause of being the first regiment to be
recruited in Canada for service in the
British army during the Indian Mutiny.

It is reported at Ottawa that Sir
Henry Drayton has been offered the
appointment of minister of finance by Sir
Robert Borden.

Race riots occurred on Saturday in
Chicago in the negro district. Two men,
one white and one black, are reported
drowned. Several people were injured.

The S. S. Scotian is bringing more
than 200 officers, nursing sisters and
other ranks and 430 dead men from
Buxton.

LATEST RUMOR RE SIR LOMER

Liberal Leader for Quebec in the
Dominion House of Commons

Ottawa, July 28.—The latest political
gossip at the capital in regard to Sir
Lomer Gouin is that, some time subse-
quent to the National Liberal conven-
tion, he will hand over the premiership
of Quebec to one of his colleagues, and
come to Ottawa as Liberal leader for
the province of Quebec in the dominion
house. The by-elections to be held in
the autumn, it is said by those who be-
lieve that this is going to happen, would
give Sir Lomer opportunity to be elected
in Sir Wilfrid Laurier's old constitu-
ency of Quebec East.

For weeks there has been a persist-
ent rumor that Sir Lomer might become
a member of the Unionist government,
but at Liberal headquarters here it is
asserted there never was any basis for
this report.

BOILER EXPLOSION WRECKS ONTARIO CHEESE FACTORY

Gananoque, Ont., July 28.—A cheese
factory at Atkinson, owned by the
Thomas Anglin and Company, is a total
wreck as the result of a boiler explosion
on Saturday night which caused the
death of John Potter, aged 27, a farm-
laborer of Kingston Junction, and seri-
ously injuring another farmer, Robert
Holeman, whose home is in England.

PLANS FOR SENDING HUN PRISONERS TO THEIR HOMES COMPLETE

London, July 28.—British plans for re-
patriation of German prisoners of war
are complete. They, of course, are sub-
ject to arrangements to be made by the
Joint prisoners commission to meet in
Paris. Up to July 28, prisoners held in
Great Britain numbered 84,604. This
number included 170 army sirmen, 2,908
civilian aliens. The majority of the sick
and badly wounded and those suffering
from shell shock have already been sent
home.

Several bottolons containing the last
of the cases have recently been cleared.
Among those on board were Captain
Karl von Mueller, commander of the
cruiser Emden, Admiral von Reuter,
who was held prisoner to answer for the
sinking of the German fleet at Scapa
Flow, and a son of Admiral von Tirpitz.
The prisoners are scattered throughout
the country with the exception of Ire-
land. They are kept in internment and
work camps.

Fourteen million roses were distrib-
uted in London on the occasion of the re-
cent Alexandria Day celebration.
